CRYSTAL PLEASURE

Dear Just 18, What with the 'Net being what it is, I no longer buy XXX magazines—except for *Just 18*. That's because nothing is hotter than seeing pictures of young girls pleasuring themselves. And you show that better than anything I could find online. Case in point, Crystal in your most recent outing. I think I came faster than she did when I ogled her massaging her clit with that huge vibrator. And I could tell that she was really into it, not just posing for pictures for a quick buck. Maybe you can produce an all-masturbation issue, with every set showing girls using objects on themselves. If not, I'll still settle for the occasional pictorial like Crystal's!

LEZIES RULE

Dear Just 18, Lots of guys like pictures of two girls together. For whatever reason, I'm not one of them. I prefer single girl spreads or girl/guy layouts. However, there truly is an exception to every rule. Your latest edition which showcased Freanchie and Carol was stupendous. That was one of the hottest picture sets ever! The two girls just had a natural chemistry together. Seeing this gorgeous redhead and beautiful blonde making love to each other made me feel as if I were actually in the room with them. I could almost smell their aroused pussies as they fucked and sucked each other. If you feature more lezzie layouts like this, you just might make me a convert!

HOW SWEET IT IS

Dear Just 18, When I saw you were featuring a layout in your last issue with "Alex and Nick," at first I was worried that your magazine turned gay. I should have known better. Alex was one of the cutest young blondes I've seen in a long time. I would do anything to swap places with Nick. The biggest turn-on for me was seeing him eat her pussy. I can only fantasize what Alex's sweet cunt must taste like. I'm sure it's yummy beyond belief. I would devour her pussy juice like a thirsty man in the desert who found a spring of water. The next project you guys should embark on is merchandising products. You would sell out of Alex's nookie nectar in no time flat. And I'd be the first customer!

NUTS FOR NATALIE

Dear Just 18, I think I have every issue of your great publication. In my mind, Natalie, in your last issue was, by far, the cutest 18-year-old I've ever seen in print! There's just something so adorable about her—an unspoken innocence, yet an overt sexiness. Her body is flawless, her face perfection. I'm not given to flights of fancy, but ever since I saw her pictures I can't stop fantasizing about what it would be like to fuck her. I keep on playing over different scenes. And yes, I keep on masturbating to Natalie. Please, bring her back again—and again. Maybe you can make her your official mascot. And if you ever need a guy to shoot her with, look no further!

DEJA VU WITH TWO

Dear Just 18, I would have to think that I'm luckier than most guys. I have actually had a threesome with two girls. And it was everything you would expect it to be. Unfortunately, such experiences are few and far between. That's why your last issue brought back very erotic memories when I saw Darren getting it on with Mary and Nicole. It was like watching a video of my encounter. Basically, I did everything that Darren did to the two hotties. We fucked and sucked our way through every variable. Not a body part was left untouched, no one was cheated out of an orgasm (or three). While I'll always remember the evening, seeing this pictorial made me remember things in even more vivid detail. Thanks.

COVETING THE COVERGIRL

Dear Just 18, While I constantly peruse the newsstand, I don't usually find myself buying too many skin magazines. Money is tight and I'm very particular. But when I saw Trixie on the cover of your last issue, I was instantly smitten. This pigtailed brunette sent a jolt straight to my cock. I quickly bought the magazine and couldn't wait to get home. As soon as I did, I spent the whole night devouring each and every picture of Trixie and playing with myself until there wasn't enough Viagra in the world to get another hard-on. Would you be able to pass my marriage proposal onto Trixie and, if not, at least let her know I'm her biggest fan. Kudos to you and Trixie!

CONFESSIONS
OF A SEX TOY
JUNKIE

Frannie

34803

Teenagers are usually obsessed with one thing or another. Guys my age love video games; other girls are into fashion or Taylor Swift. I'm a little different, thank you. Sit down for this one: I'm addicted to sex toys! Vibrators, dildos, pocket rockets, anal beads, you name it, I get off from it!

"From the first time I inserted a dildo into my welcoming cooch, I was hooked. Hell, I've almost sworn off boys. A rubber cock is always hard, always ready, and I know how to use it to please my most sensitive spots. I can spend an entire afternoon (after finishing my schoolwork, of course) playing with myself, inserting different objects into my vag and cumming multiple times. I've become so dependent on masturbating myself that I'm scared I might have to go into sex rehab. Or maybe I'll just vibrate myself to death; there are worse ways to go, for sure!" 🍆

A PERFECT THREE

Gabi, Pete & Nikki

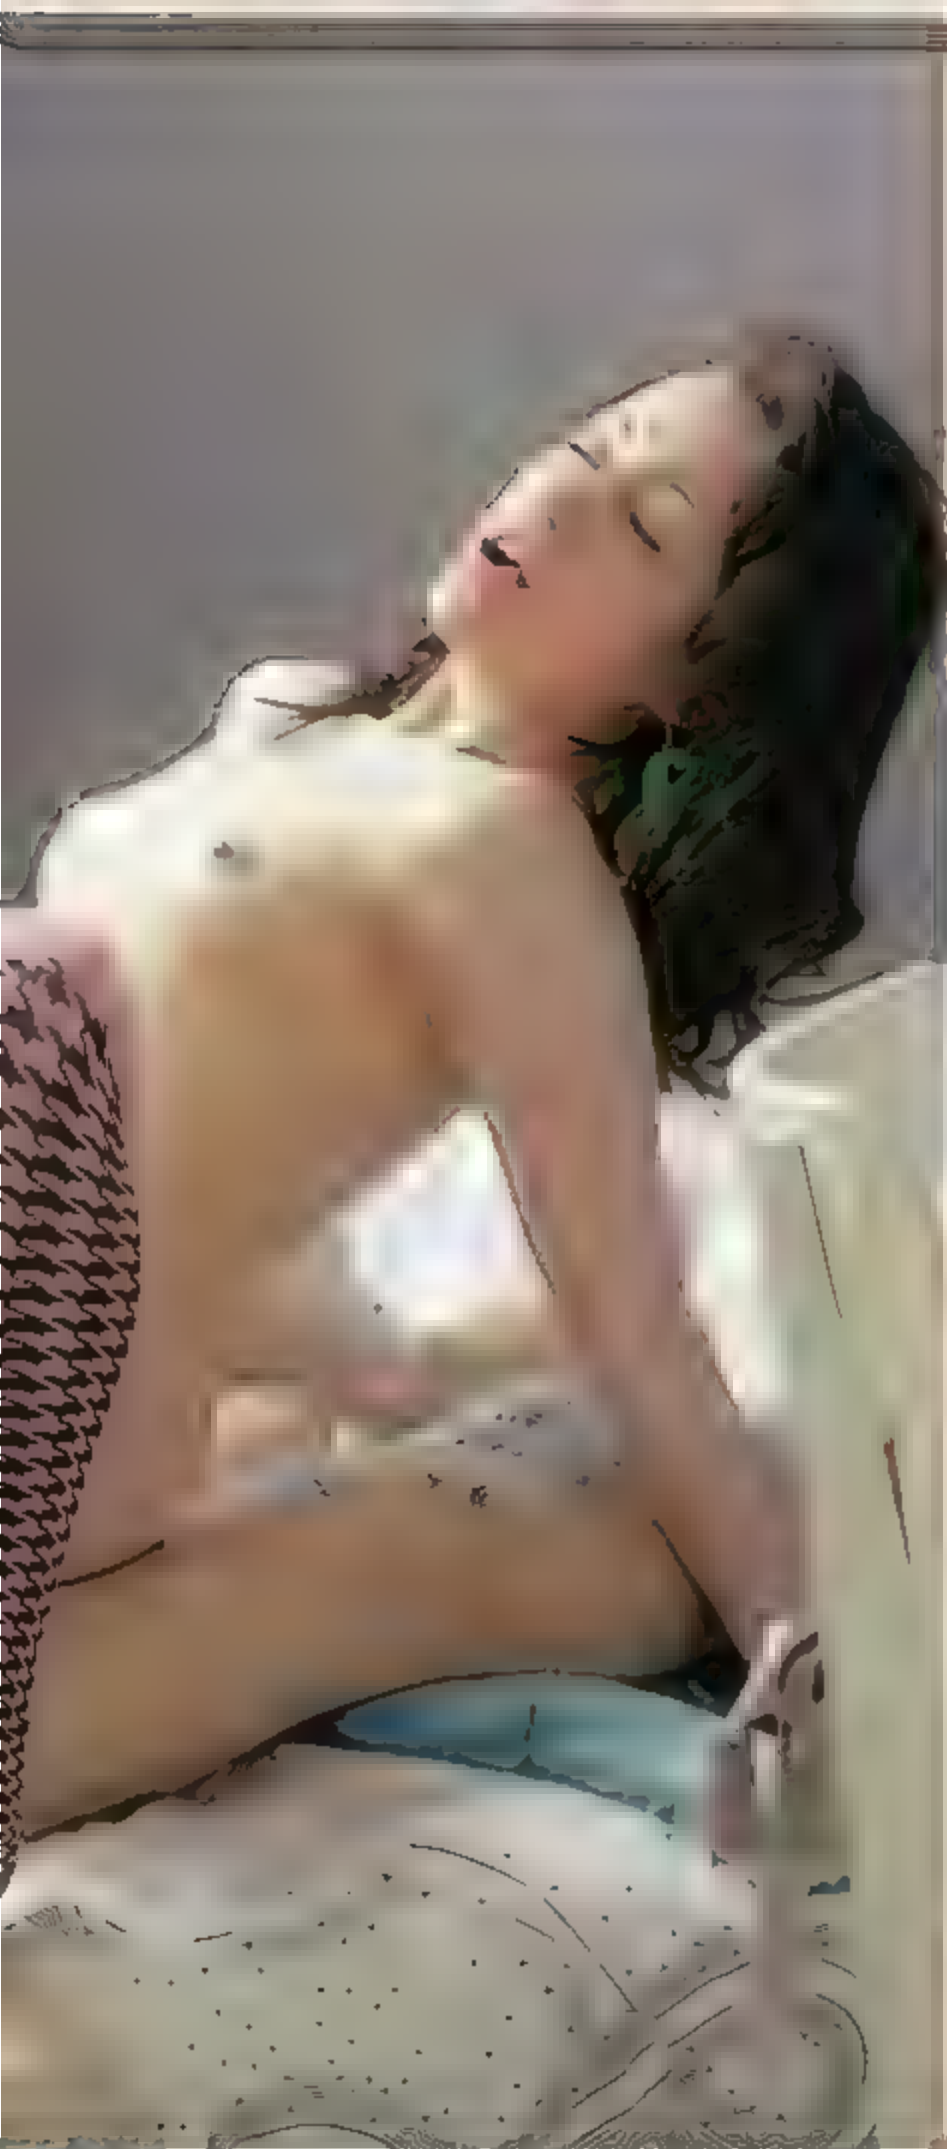

was very hesitant about taking a course in Human Sexuality 101. Virginal little me didn't know what to expect. Let's just say I got more than I bargained for. I became fast friends with Pete and Nikki; the former, a buff guy; the latter, a very cute girl. When the Prof assigned the class a term paper on 'The Modern-Day Phenomenon of Threesomes,' Nikki, Pete and myself asked him if the three of us could collaborate on the project. When he agreed, the ball (no pun intended) was set in motion.

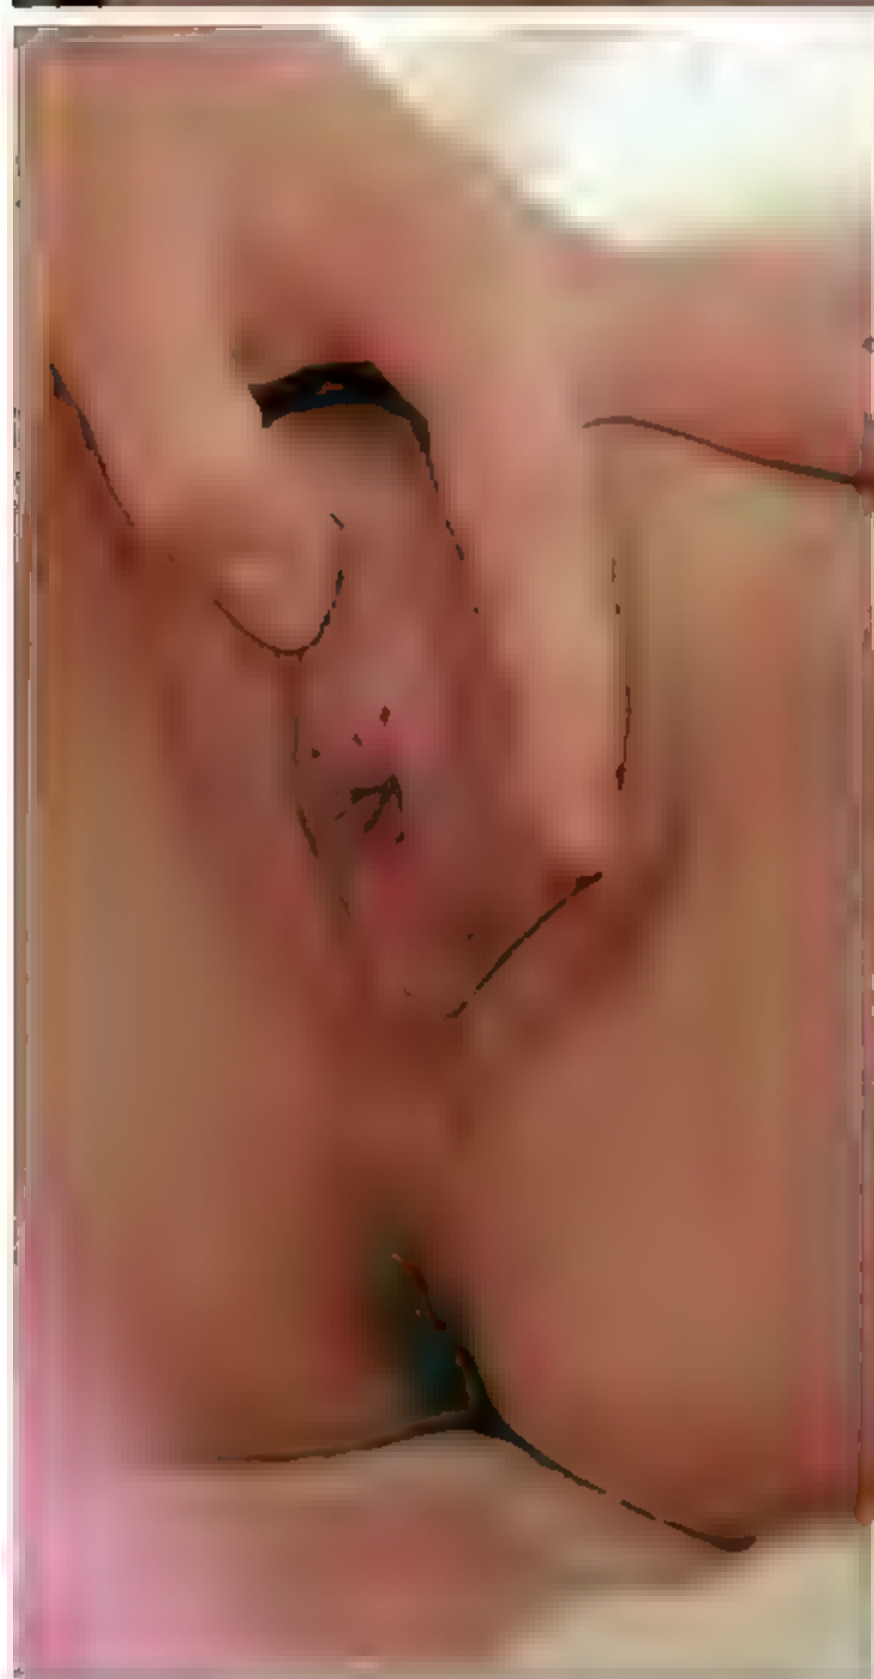

"We wanted to do the best paper possible. That's why we decided to participate in a threesome to accurately write about one. So my first time wasn't with a guy...or girl..it was with a guy and a girl! We drank a bunch of wine, then got naked. I don't even know how to describe the evening. I don't know what felt better—licking pussy or having a hard cock penetrate my core. We each experienced multiple orgasms and ended the evening totally spent, but in Nirvana. We now fuck each other on a regular basis. Oh yeah, we got an 'A' on the paper!"

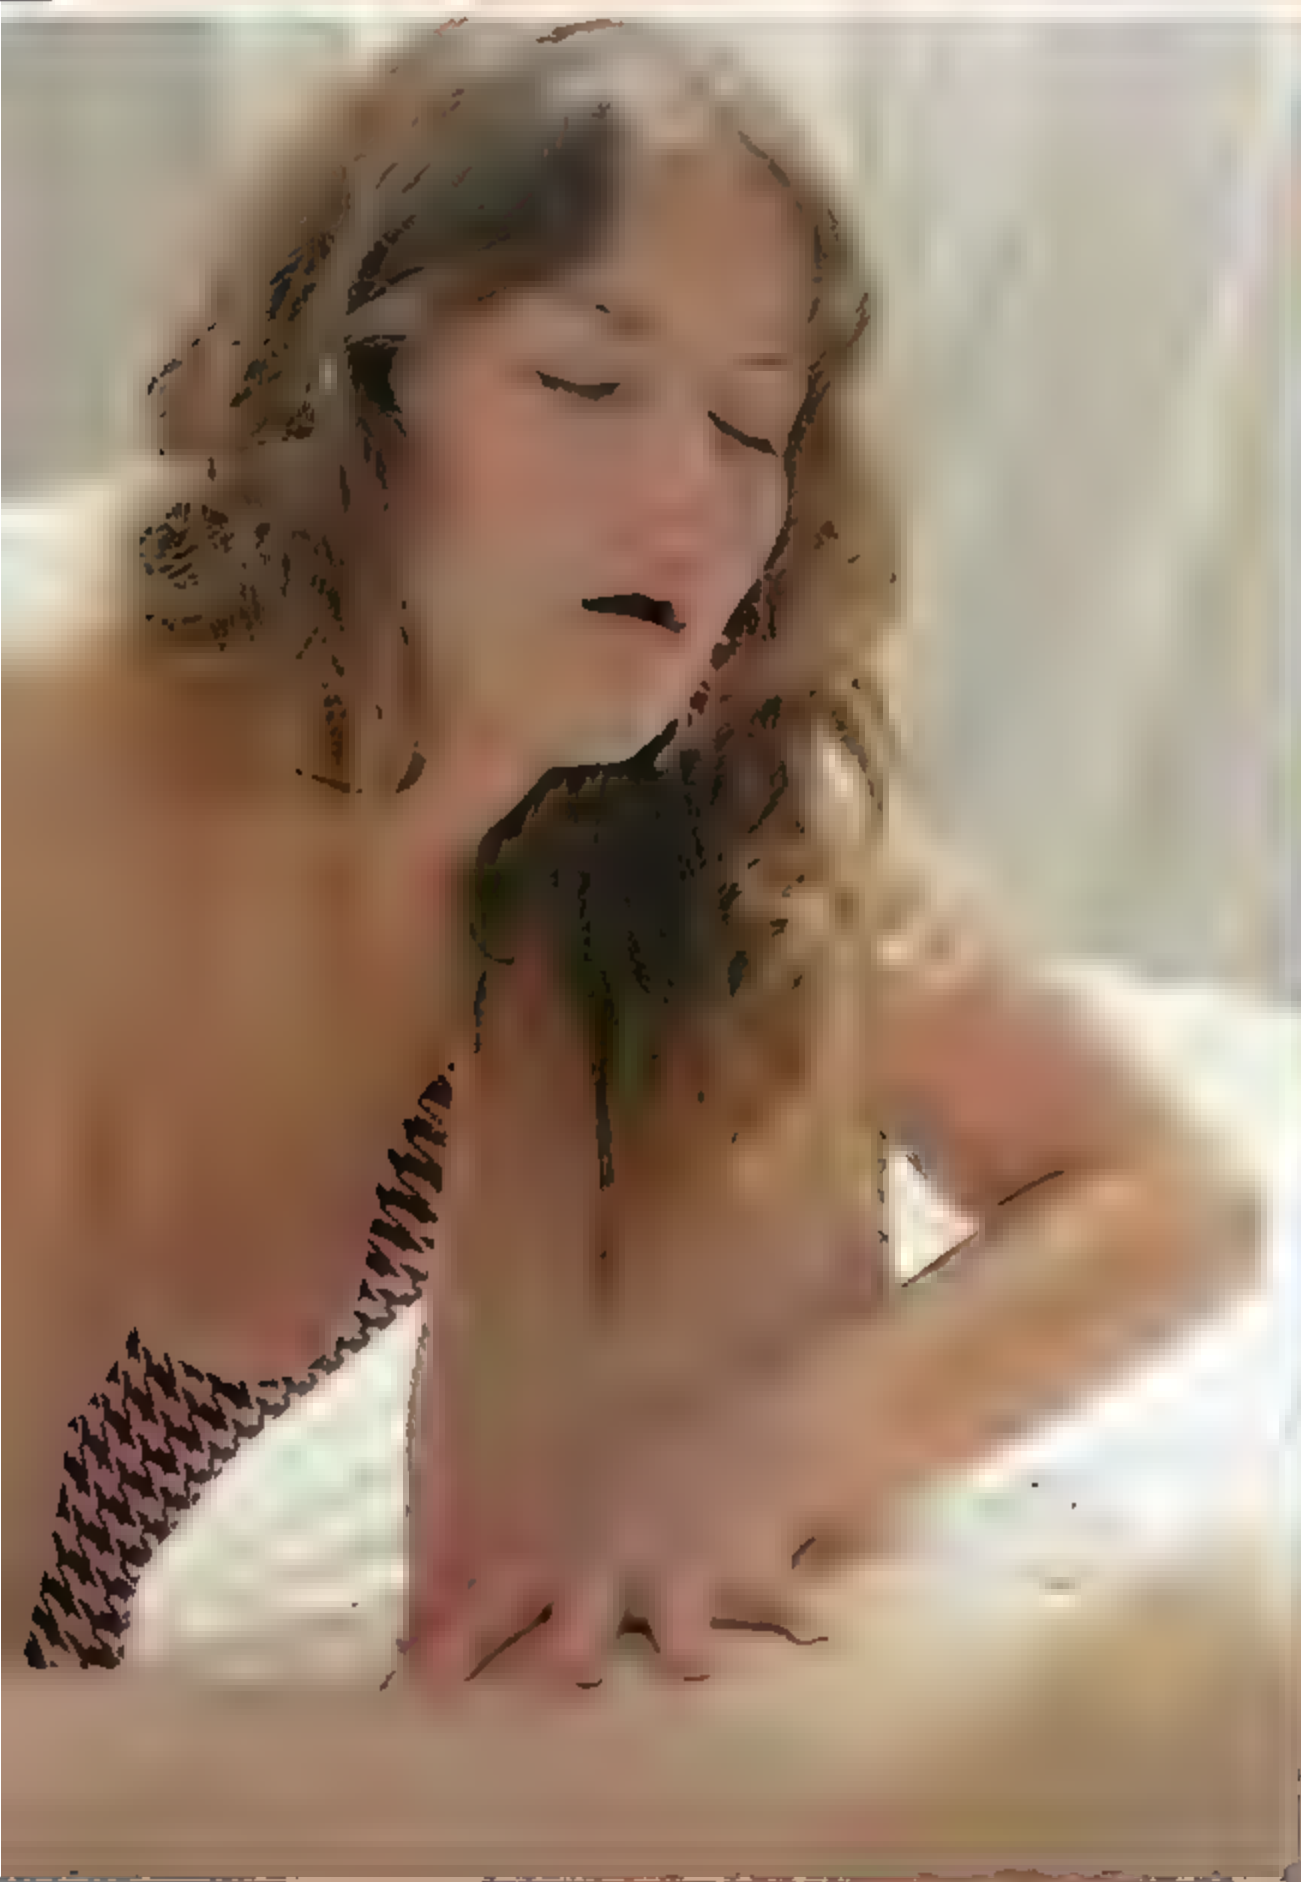

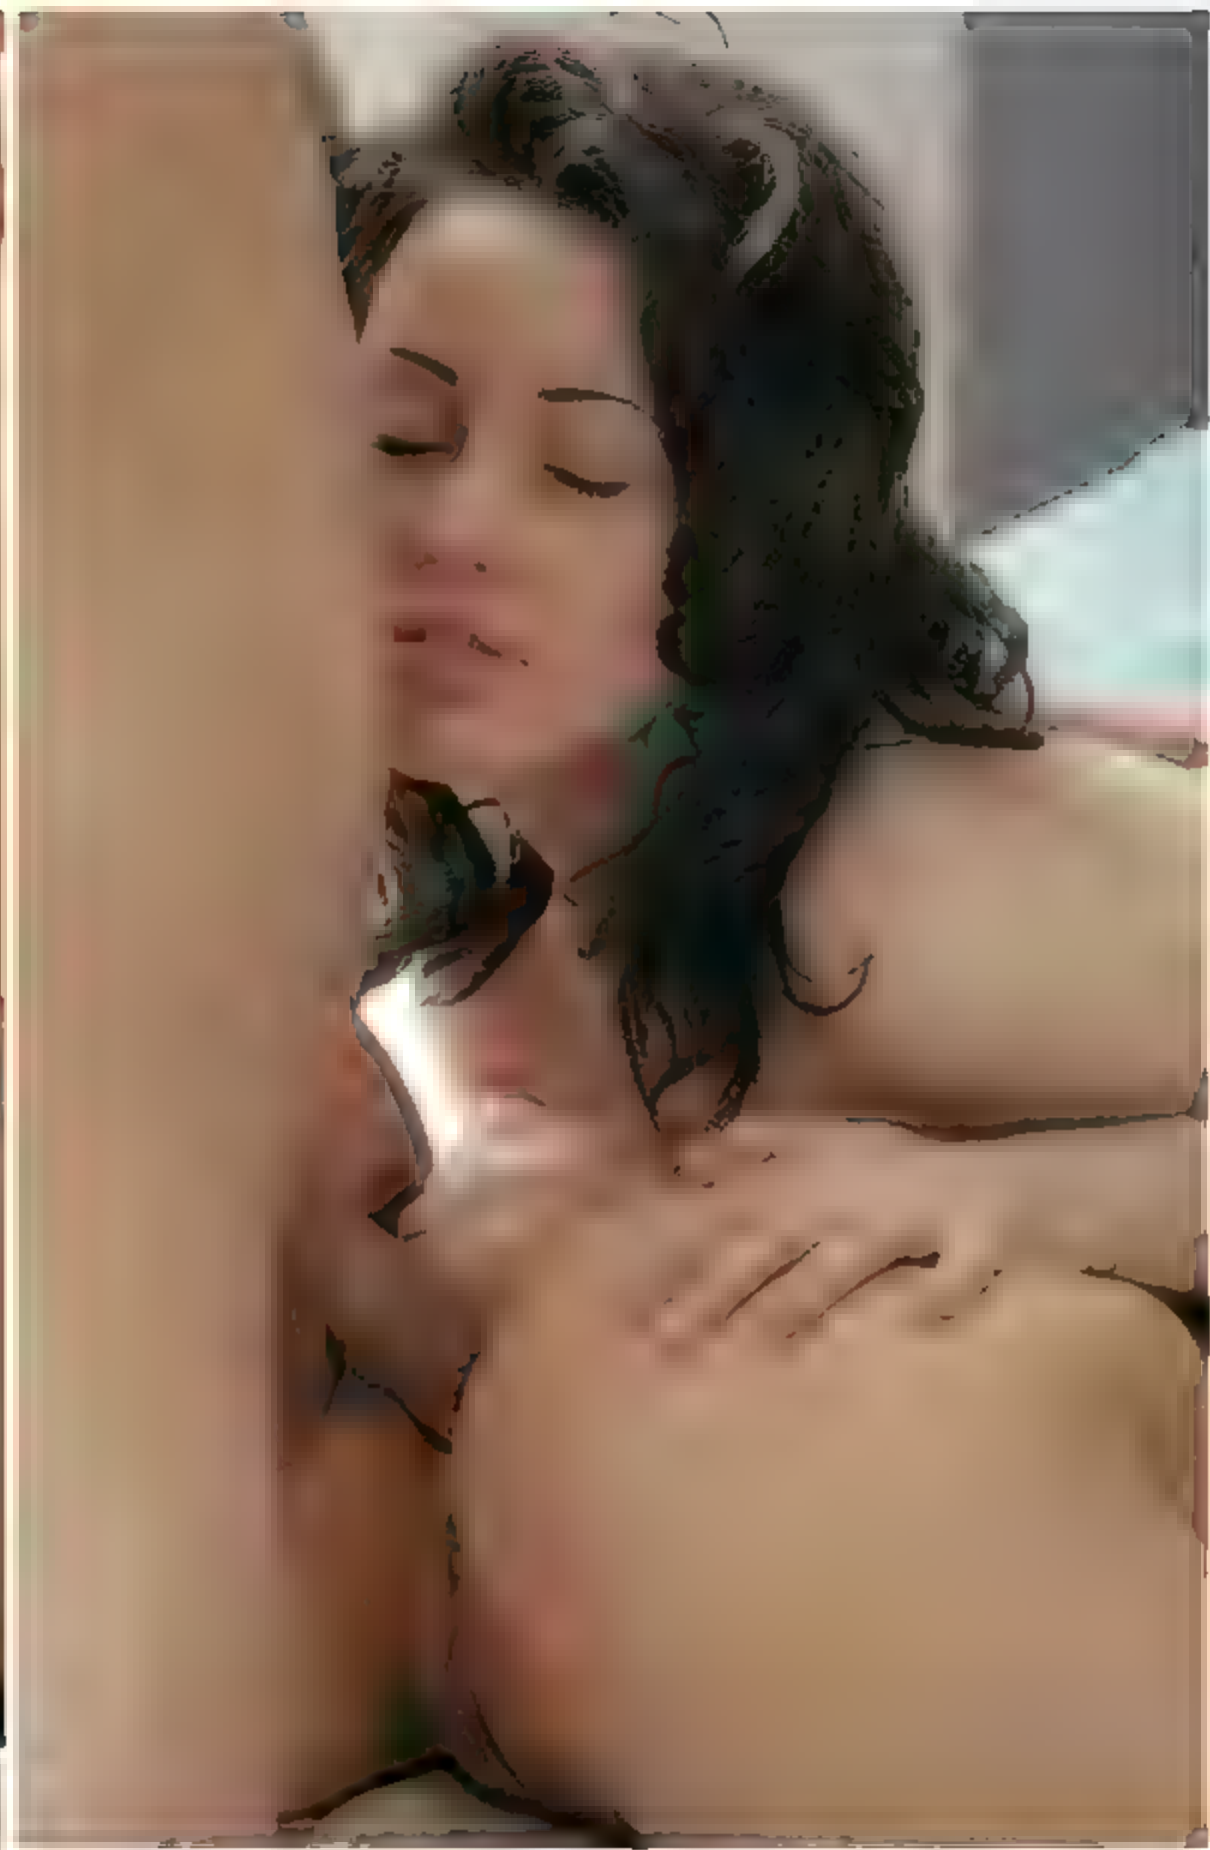

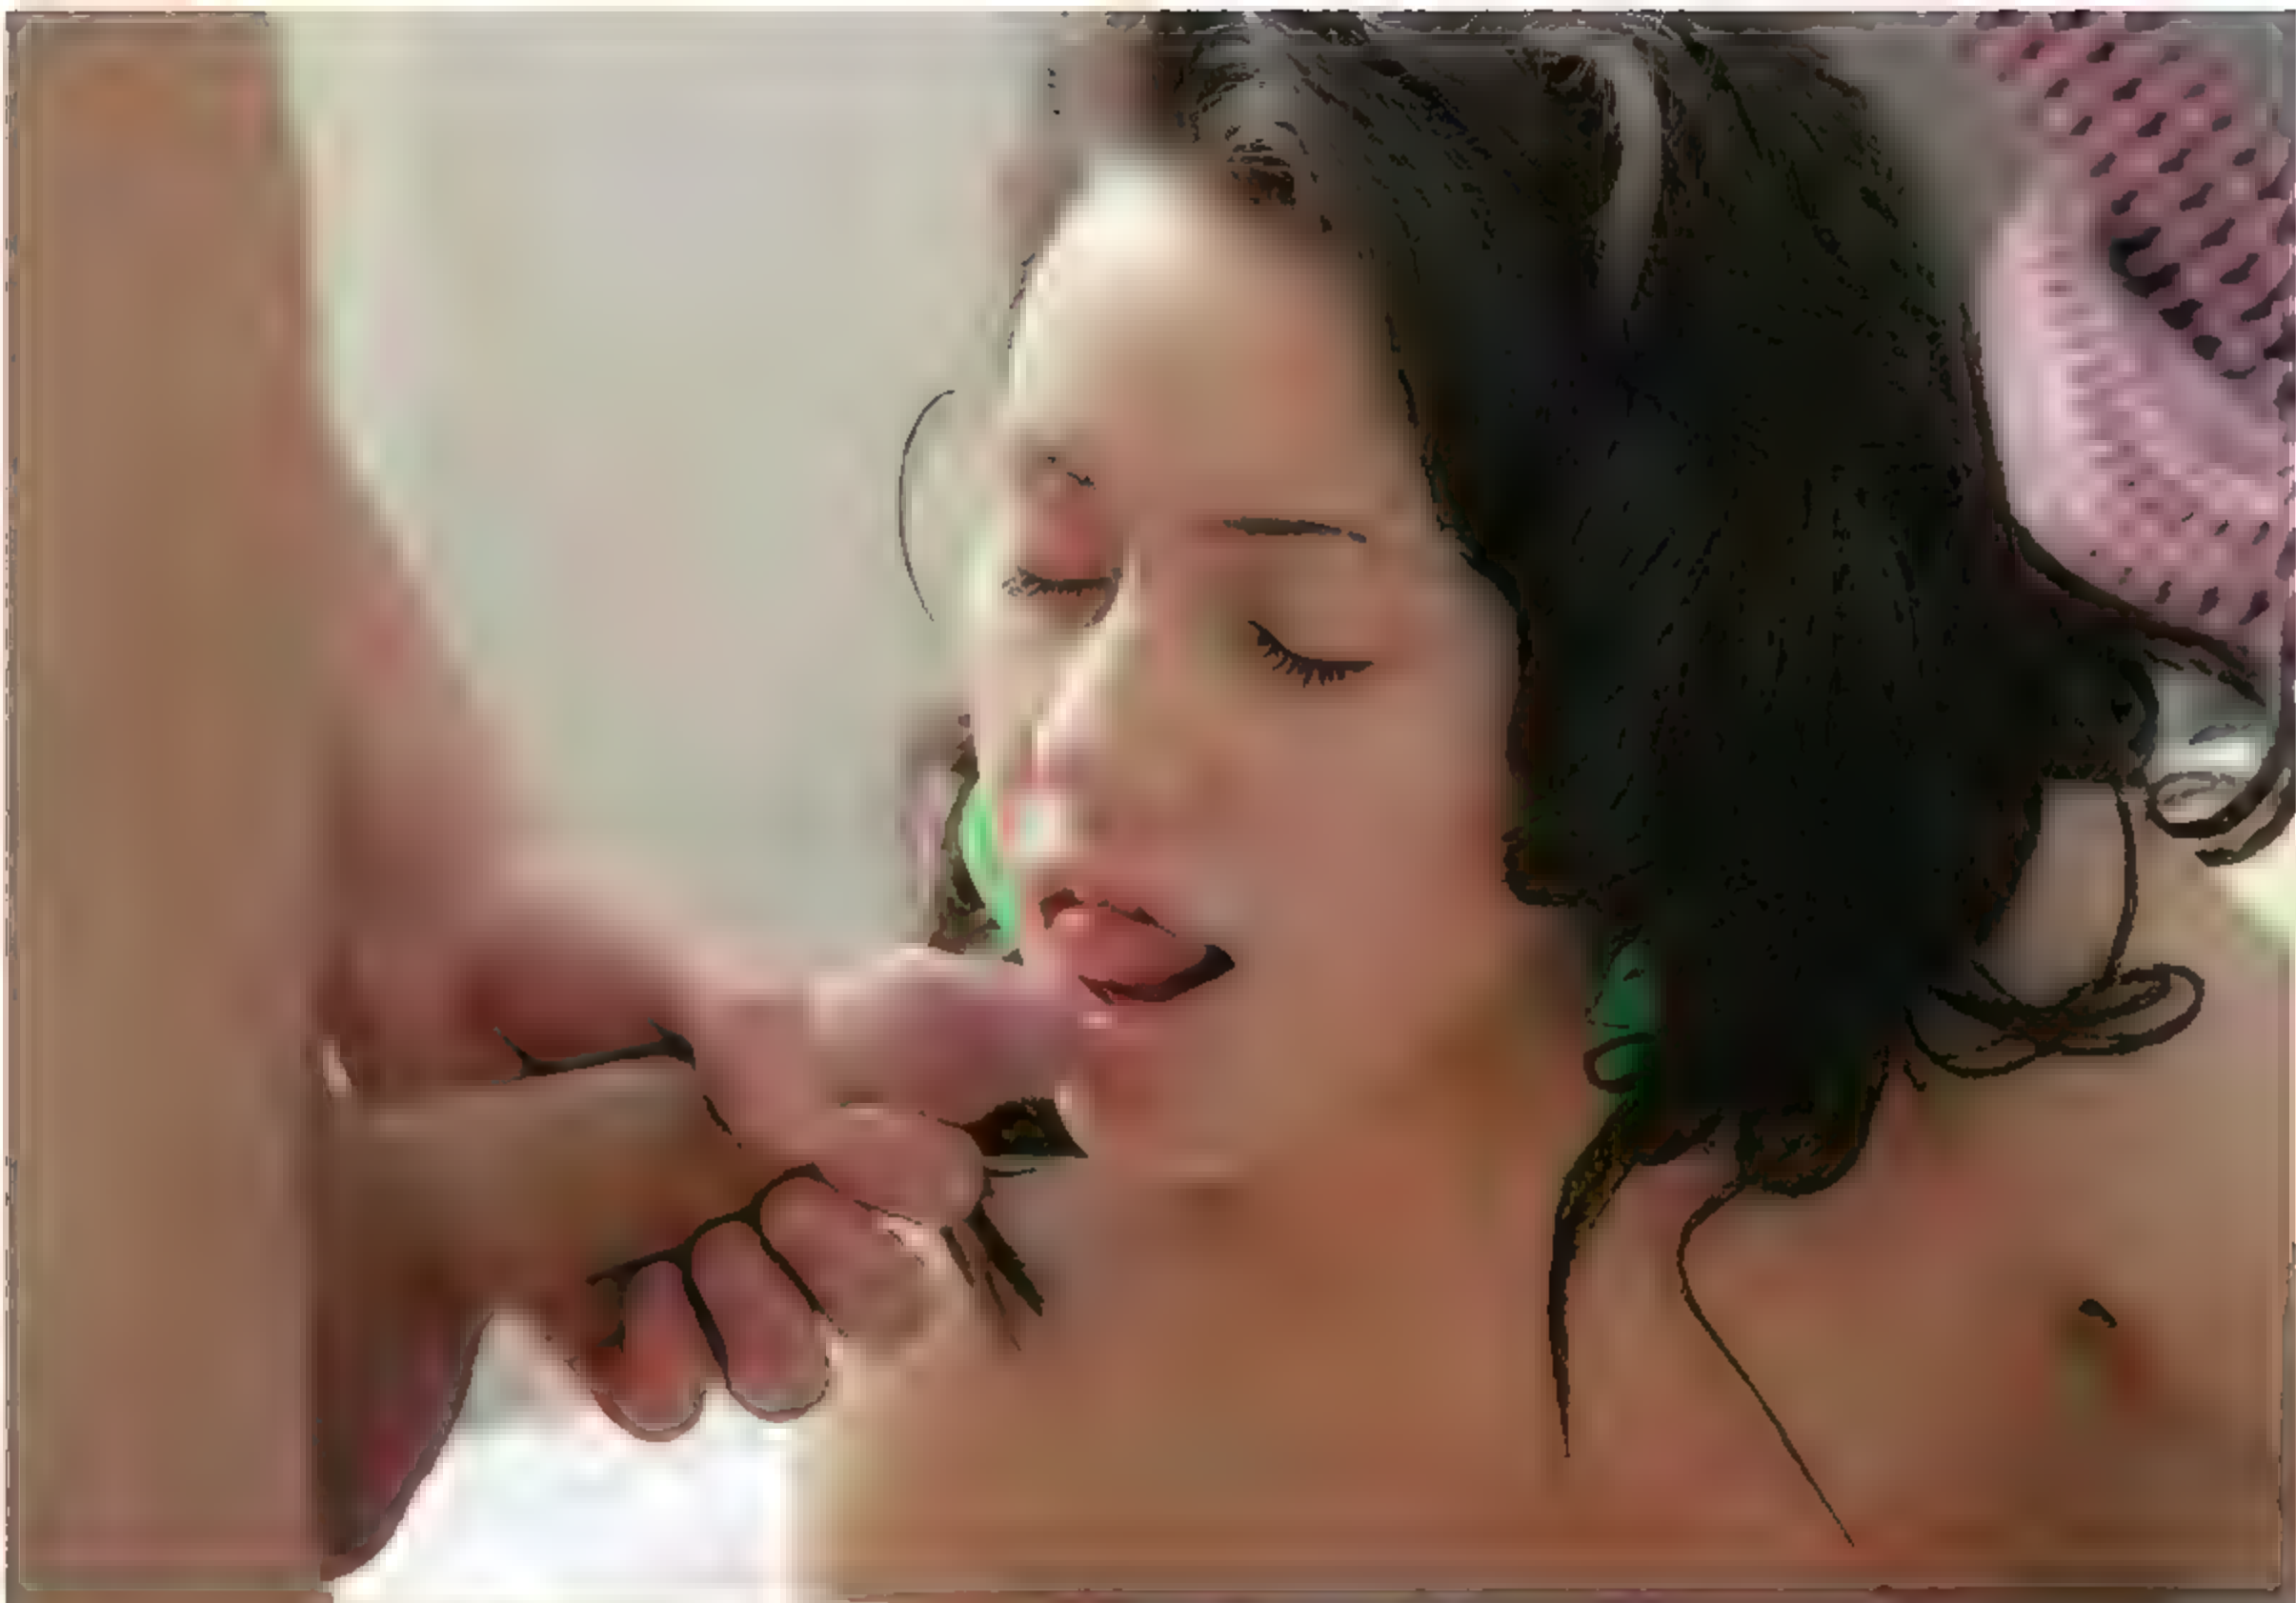

MY TUBESTEAK TRANCE!

By Normal Martha

Throughout high school, I had to take piano lessons. My parents were convinced I'd need the culture when I grew up. It would broaden me. Give me an appreciation for the finer things. Well, it seemed stupid to me but you know how parents are, so I had to do it. I played okay, but my old teacher always looked depressed when he came over to give me my lesson. He knew I was more interested in clothes and shoes and guys than Chopin and Schumann and Grieg.

Finally senior year, after I turned eighteen, my parents let me give up the lessons. And then a funny thing happened. I was at a party at the house of a girl I knew, and her family had a big piano, so when my girlfriends and I were talking to some boys and having a few drinks, I started horsing around on the keys. It was a big goof, but then I started showing off and getting into it. I played some Mozart and if I say so myself it sounded pretty good. The gang crowded around the piano and looked at me like I was an exotic fish in the aquarium. And then one of the guys standing over me had a funny look in his eye. At first I thought he was watching my hands but then I realized he was concentrating on my titties in my low-cut top. What a perv! I didn't want to stop playing, things were sounding good, but it really annoyed me that he was getting thrills this way. Everybody else was watching me so they didn't notice him, but I kept checking him out. And he knew it. Then suddenly he shook and I realized he had an orgasm in his pants! A glazed expression came over his face and he even stuck his tongue out slightly between his teeth. Then I saw the stain in the front of his pants! He was totally shameless.

I finished playing the piece and then I got up and went over to the table where they had the drinks.

"Wart wait don't go away!" said the perv, following me. I saw him once at another party and I think he went to the school in the next district. But we had never talked before.

"Your playing was great," he said, reaching for a drink.

"I don't think it was my playing you were paying attention to."

"Well, your playing added something special to what I was concentrating on."

"No kidding. Where did you learn that no-hands trick? Don't think I couldn't tell that you orgasmed in your pants."

"I call it Ultimate Focus," he said. "It makes life a lot easier. I don't have to try to go out with a girl and risk rejection or giving her a bad time

because she doesn't like me. I just zero in on her cleavage with Ultimate Focus, and I sperm in my pants. Easy as pie."

"Do you think you're making me like you by telling me this?"

He laughed. "I guess not, but I'm known for brutal honesty in my school. My name is Orson."

"You mean like the famous old-time movie director?"

"Yeah, my parents went to film school and everything, and my mother got pregnant with me just as they started their first jobs in the industry. They work on some big productions. They know everybody. Johnny Depp came to my bar mitzvah."

"That's interesting. I guess with the whole film thing in your family, that's why you come up with ideas called Ultimate Focus."

"I never thought of that, but you're right. Hey, you're smart. Films, focus, Ultimate Focus. Listen, it takes the wear and tear out of orgasms."

Now it was my turn to laugh. "I can't believe I find you funny," I said. "But you say the craziest things."

"Okay, so just call me Nutty Orson. What's your name?"

"Normal Martha."

"Martha? I haven't met anybody named Martha lately, much less a Normal Martha. Everybody is an Ashley or Emily or Taylor..."

"I know, it's an old-fashioned name, but it's mine. I added the Normal because you added the Nutty. Unless your parents actually named you Nutty Orson. Maybe they did. Nothing would surprise me after what you just said about your Ultimate Focus thing."

"You want to learn more about it?" said Orson. "Let's go upstairs in one of the bedrooms and I'll fill you in."

"You mean you'll try to FILL me, right?" I said.

"No, I won't."

"Does that mean you DON'T want to fill girls, and only use your Ultimate Focus to stare at them and explode in your pants?"

"Yes, for the time being. I'm using most of my energy as an eighteen year old to concentrate on getting into the best college I can. Aren't you?"

"I'm going to the community college, that's enough for me."

"Well, Ultimate Focus will come in handy for you too."

"All right let's go upstairs," I said.

We went into the bedroom of the brother of the girl who was giving the party. The brother was away at college. It was way in the back of the house, and we had privacy although we could still hear the party downstairs.

"So what do we do now?" I said.

"Take off your clothes."

"Wait a minute--"

"No, seriously. I'm going to stand way over there."

"I'm going to be naked, and you're going to be--what?"

"With my cock out, so you can practice Ultimate Focus on me like I did on your cleavage."

"Why do I have to get naked?"

"You have to start out naked, Martha, it facilitates the learning process. I always practice in the nude, in my bedroom at home. I stare at women on tv. Some of the

anchor ladies on cable really get the loads out."

"Get the loads out?"

"It's a figure of speech."

"No kidding. Well, Nutty Orson, I'll only get undressed if you do."

"But won't you feel safer if I have my clothes on?"

"And just your cock hanging out? No, I won't. I'm interested in Ultimate

Focus, but I'll only take off my clothes if you do the same. And please lock that doorknob."

You must think I'm an awful slut because I would get undressed like this with a boy I had just met but I have a good instinct. Anybody who would spend time practicing no-hands orgasms was no threat.

Anyway, it didn't take long for us to strip. His cock was nice enough. Strangely, he looked a little blank when he saw my naked body. Maybe he was one of those guys who likes to be teased and only see a girl in her clothes? If didn't matter, I was going to learn Ultimate Focus. He told me to lay on the bed but keep my hands at my side.

"Can't I touch myself a little, Nutty Orson?"

"If you do, it'll defeat the whole purpose. Now lay there and concentrate on my penis."

"Just stare at it?"

"Yes. Let it fill your field of vision."

"Okay, Mr. Harvard. Or is it going to be Yale?"

"I hope Princeton," he said. "But we're getting off the track. Ultimate Focus, Martha, Ultimate Focus."

"I won't be able to call myself Normal Martha after this. I'll be as nutty as you."

"Focus, Martha, focus!"

So I lay on the bed, naked, with my nipples hard and my pussy wet goggling at his cock. Which got stiff pretty quickly as cocks often do at age eighteen.

"Just keep repeating to yourself, Martha: Ultimate Focus. Ultimate Focus. Ultimate Focus."

"Out loud?"

"Yes, and quit asking so many questions. Ultimate-Focus. Ultimate-Focus."

I stared at his dick from the tip to the balls. "Ultimate-Focus. Ultimate-Focus."

"That's good, keep saying it."

"And what are YOU looking at Orson?"

"Your tits. They're bigger than they looked in your dress. Ultimate-Focus. Ultimate-Focus."

There we were, two eighteen year old seniors in suburban America, staring at each other's crotches across the room, saying "Ultimate Focus" again and again.

At first I wanted to laugh, or at least giggle.

But then a funny thing happened. I began to feel a tingle in my pussy, that turned into a thousand little vibrations moving outward through

my legs and arms and tummy and breasts, and Orson's cock really did fill my "field of vision," as he called it. And I started to think of all the things I wanted to do with his meat.

I wanted to take it in my hands, and stroke it slowly until it got even harder than it already was. I wanted to feel the little veins like stiff wires against my palms. I wanted to kneel down and kiss the balls while tugging on the snake, and then I wanted to kiss my way up the shaft right to the top and take it in my mouth. I wanted to slide my face down on Orson's dirty lizard and feel him put his hands on my head and tell me to suck him like...like...like a little whore.

The room started to get shadowy around his stiffie, and all I could really see were the drops of pre-cum on the tip. I wanted to touch myself so bad but I kept saying, "Ultimate-Focus, Ultimate-Focus, Ultimate-Focus," and I managed to follow the program. My whole body started shaking as I pictured myself the complete slave of that cock. I imagined that I didn't have any clothes at all, anywhere, that I was just an always-nude eighteen year old girl who was a slave to a cock that was the only thing in my field of vision. My life was about cock—nothing but cock!

"OHHHHHHHHHH!!!" I suddenly gasped, feeling my whole body shake as I had my first-ever no-hands orgasm. But I still kept whispering, "Ultimate-Focus, Ultimate-Focus!" and staring at his dick.

When I finally came down from my self-induced trance, or whatever it was, I could see the rest of Orson again, naked with his leaky tubesteak still hard. He was smiling.

"Pretty cool, huh?" he said.

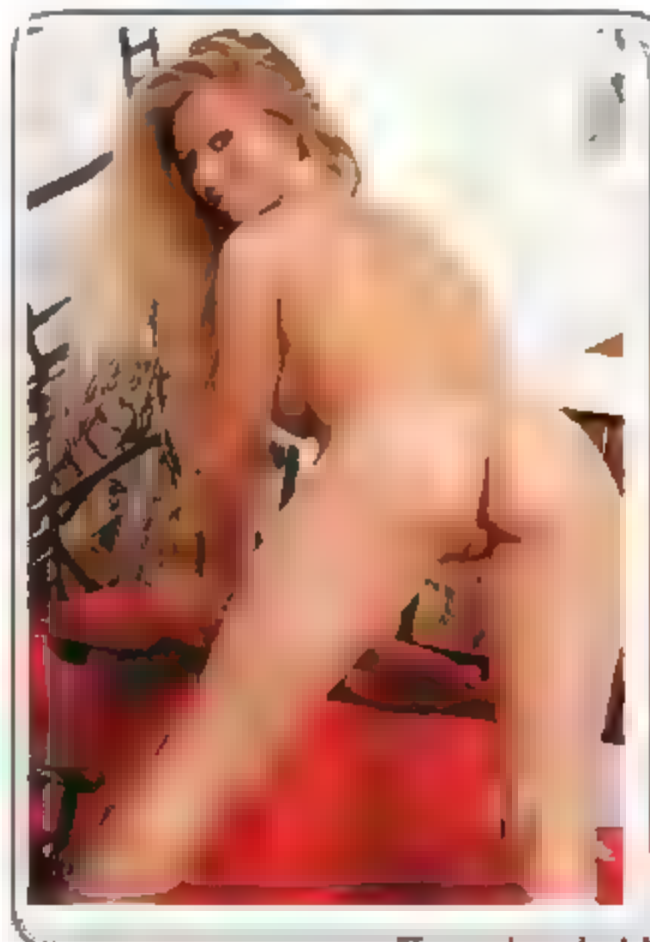

"I wonder what things you'll come up with when you're at Princeton. But there's one little problem," I said, running my hands over my naked body to make up for lost time.

"What's that?"

"I'm still horny. Can you spare some time for Ultimate Fucking, Nutty Orson?"

He double-checked that the doorknob was still locked, and then he joined me on the bed. "Well, Normal Martha, since you put it so nicely..."

Ultimate Focus might have its uses in the future, but after an hour of pretty good sex with Orson on that bed, I knew that Ultimate Fucking would never be replaced!

Avina & Francesca

For those who think teen lesbianism is a trend, ask Avina and Francesca what they think. "Every time Avina gets her fingers inside me, I go absolutely fucking crazy! Her tongue is more skilled than any clumsy guy I've ever been with and she knows how to get me off! Plus, I love it when she fucks my asshole nice and gently! My dad thinks it's a phase, but it sure as fuck ain't!" 🍑

IT'S DILDO

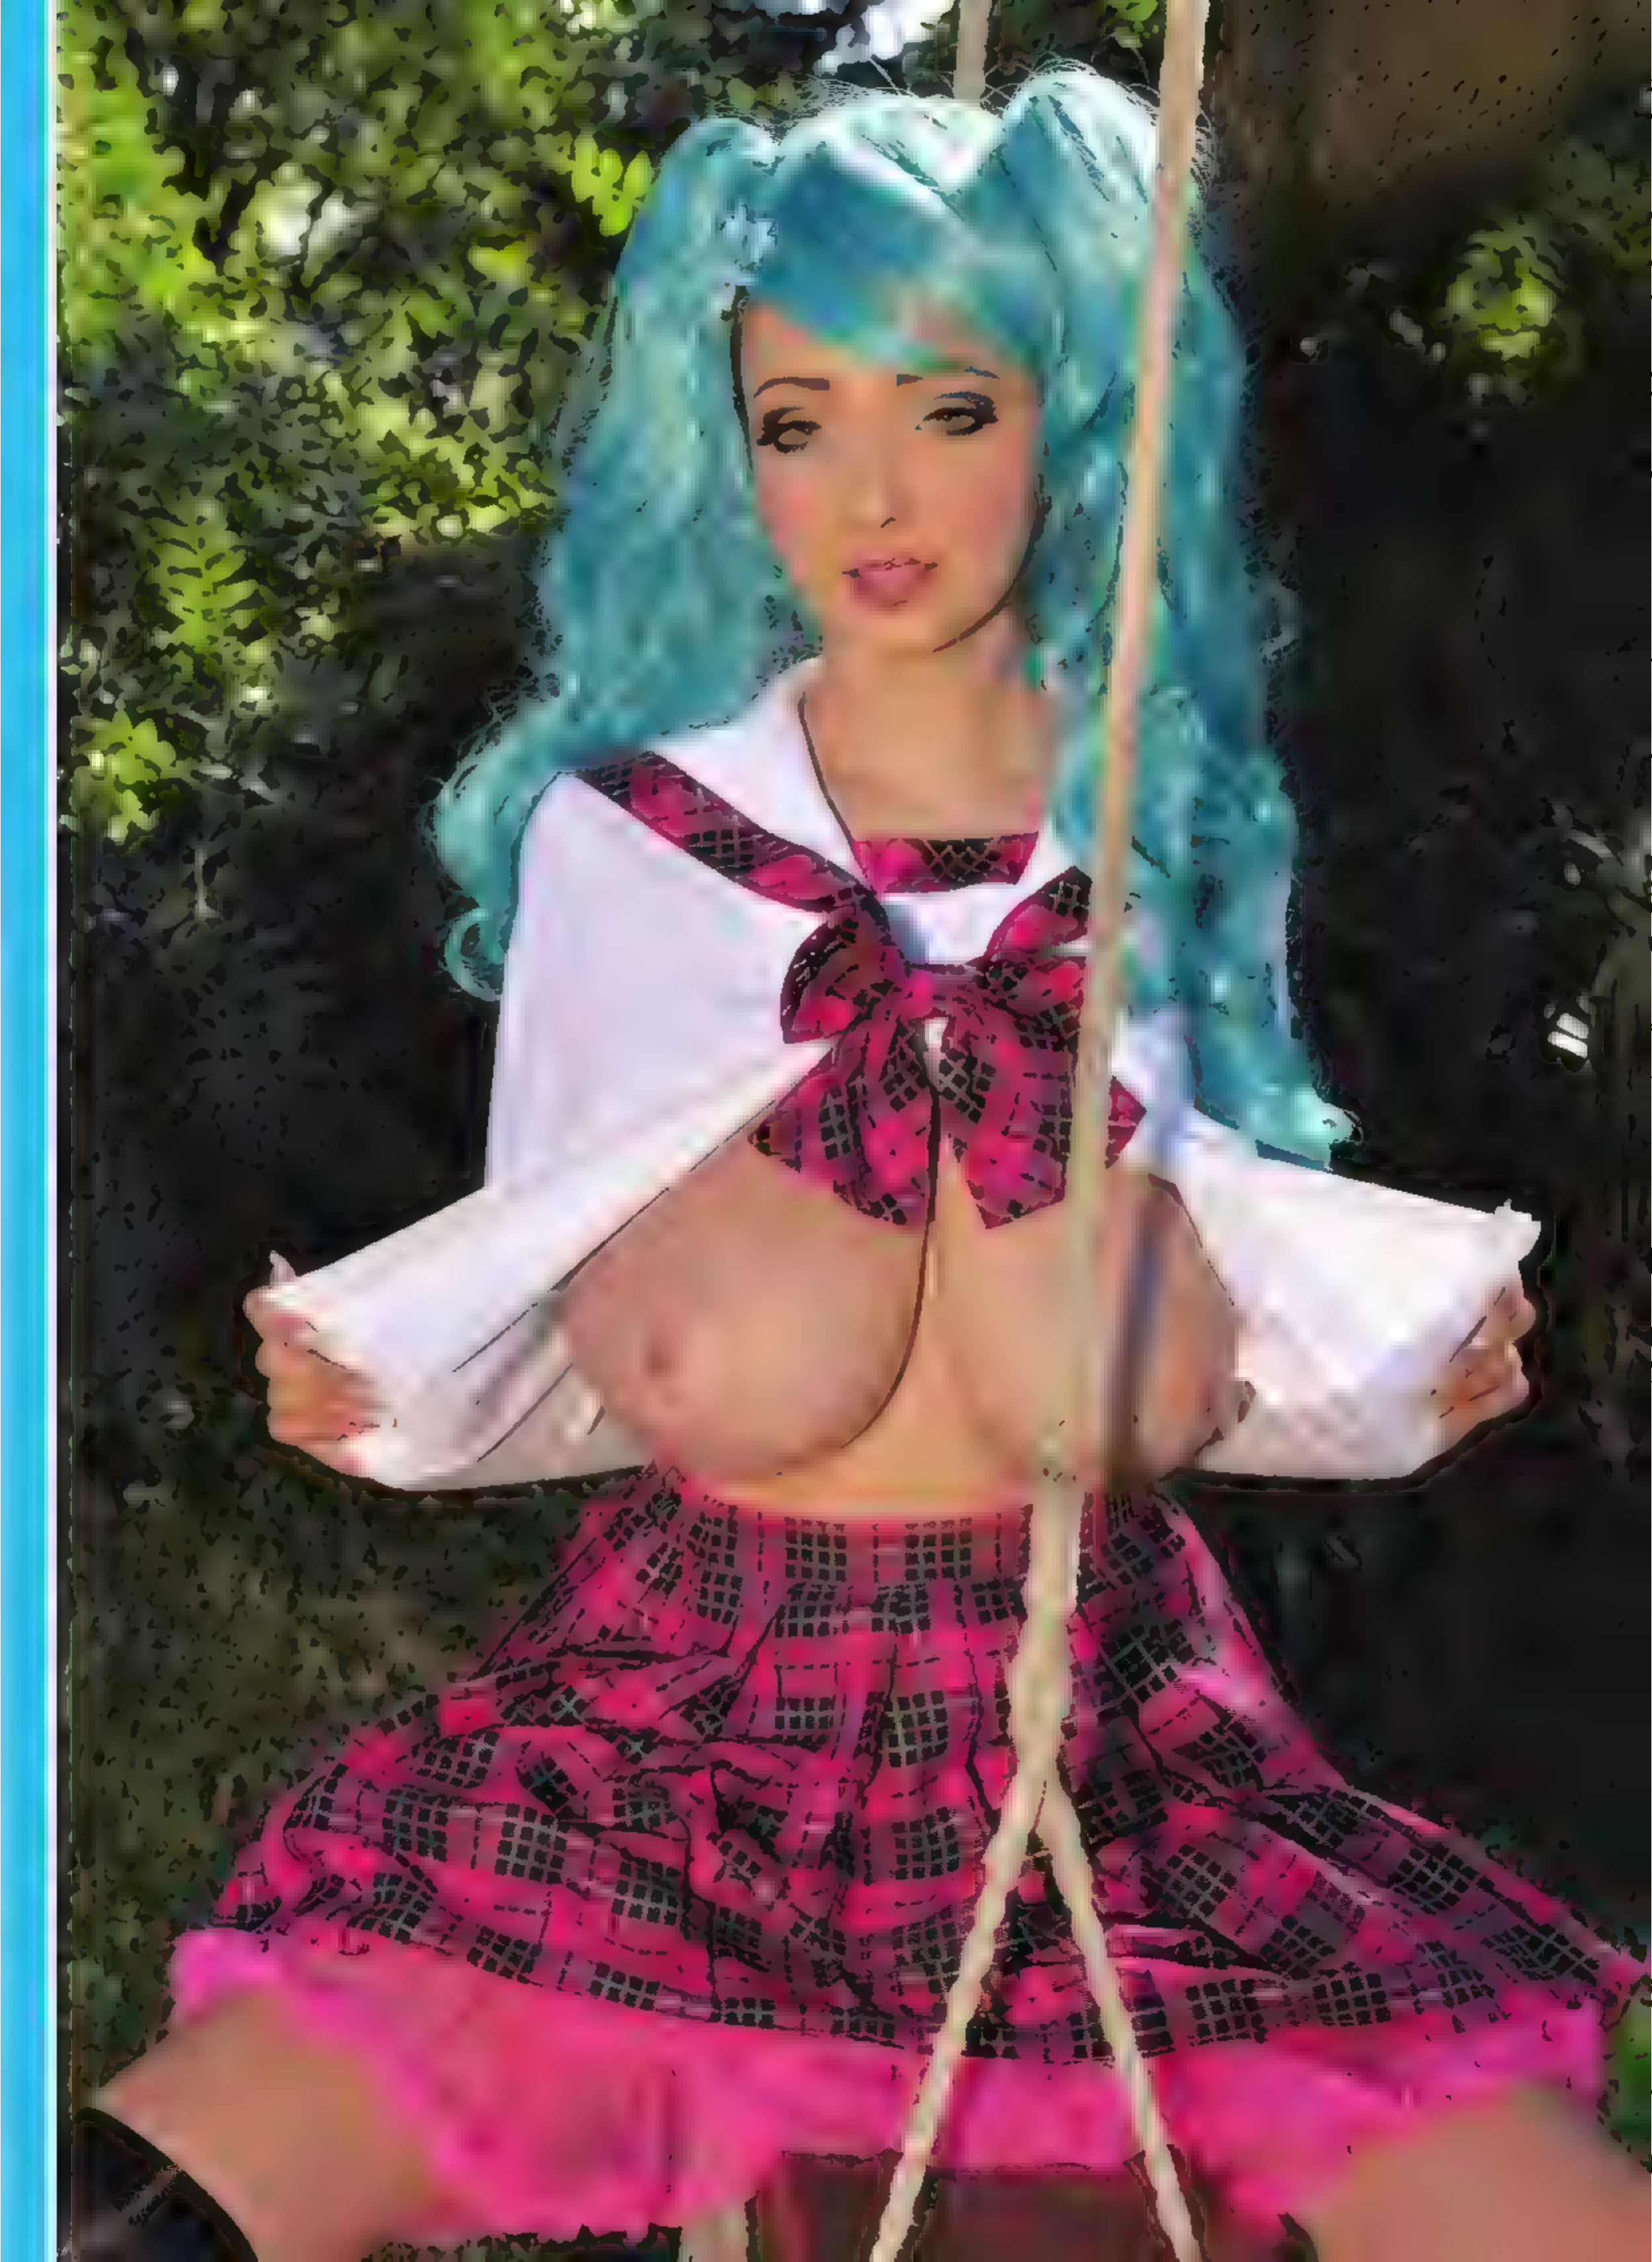

DOLL

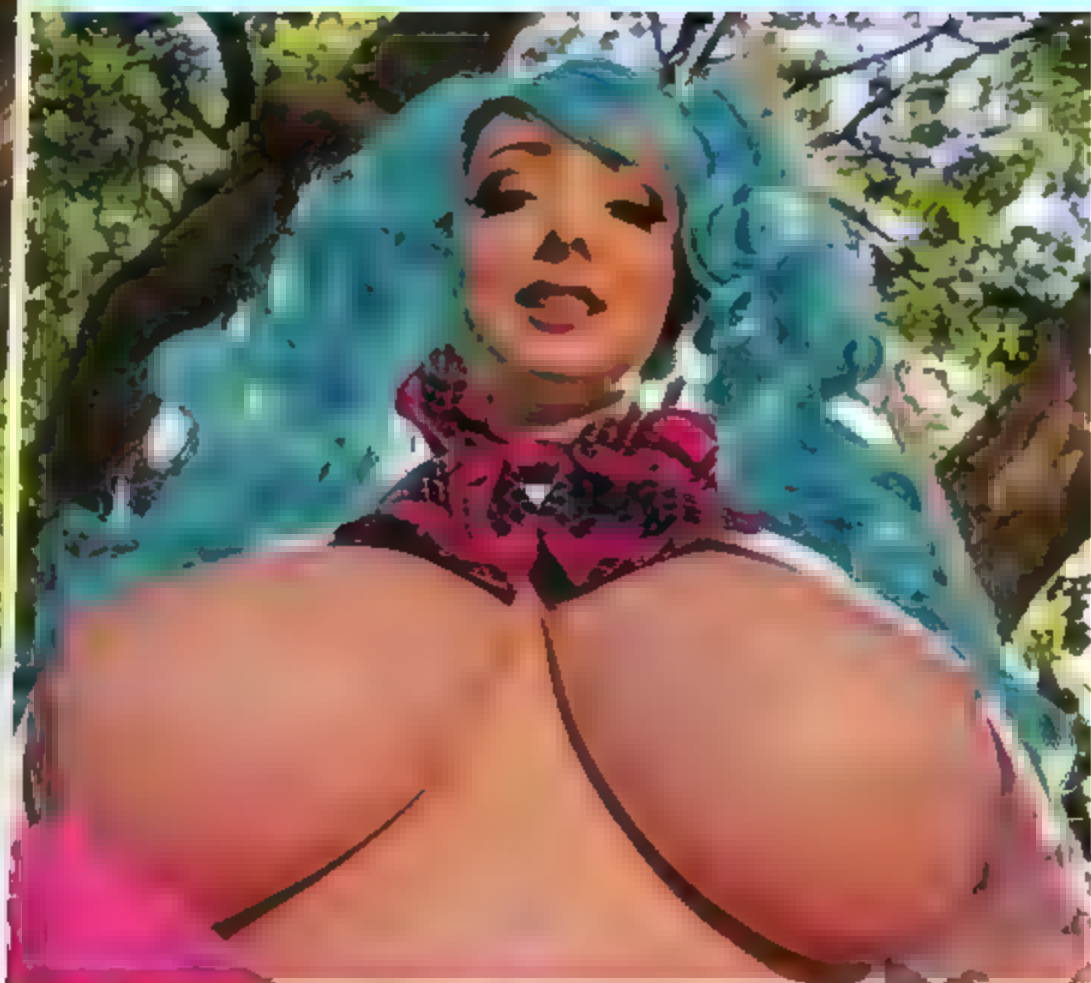

LUCY

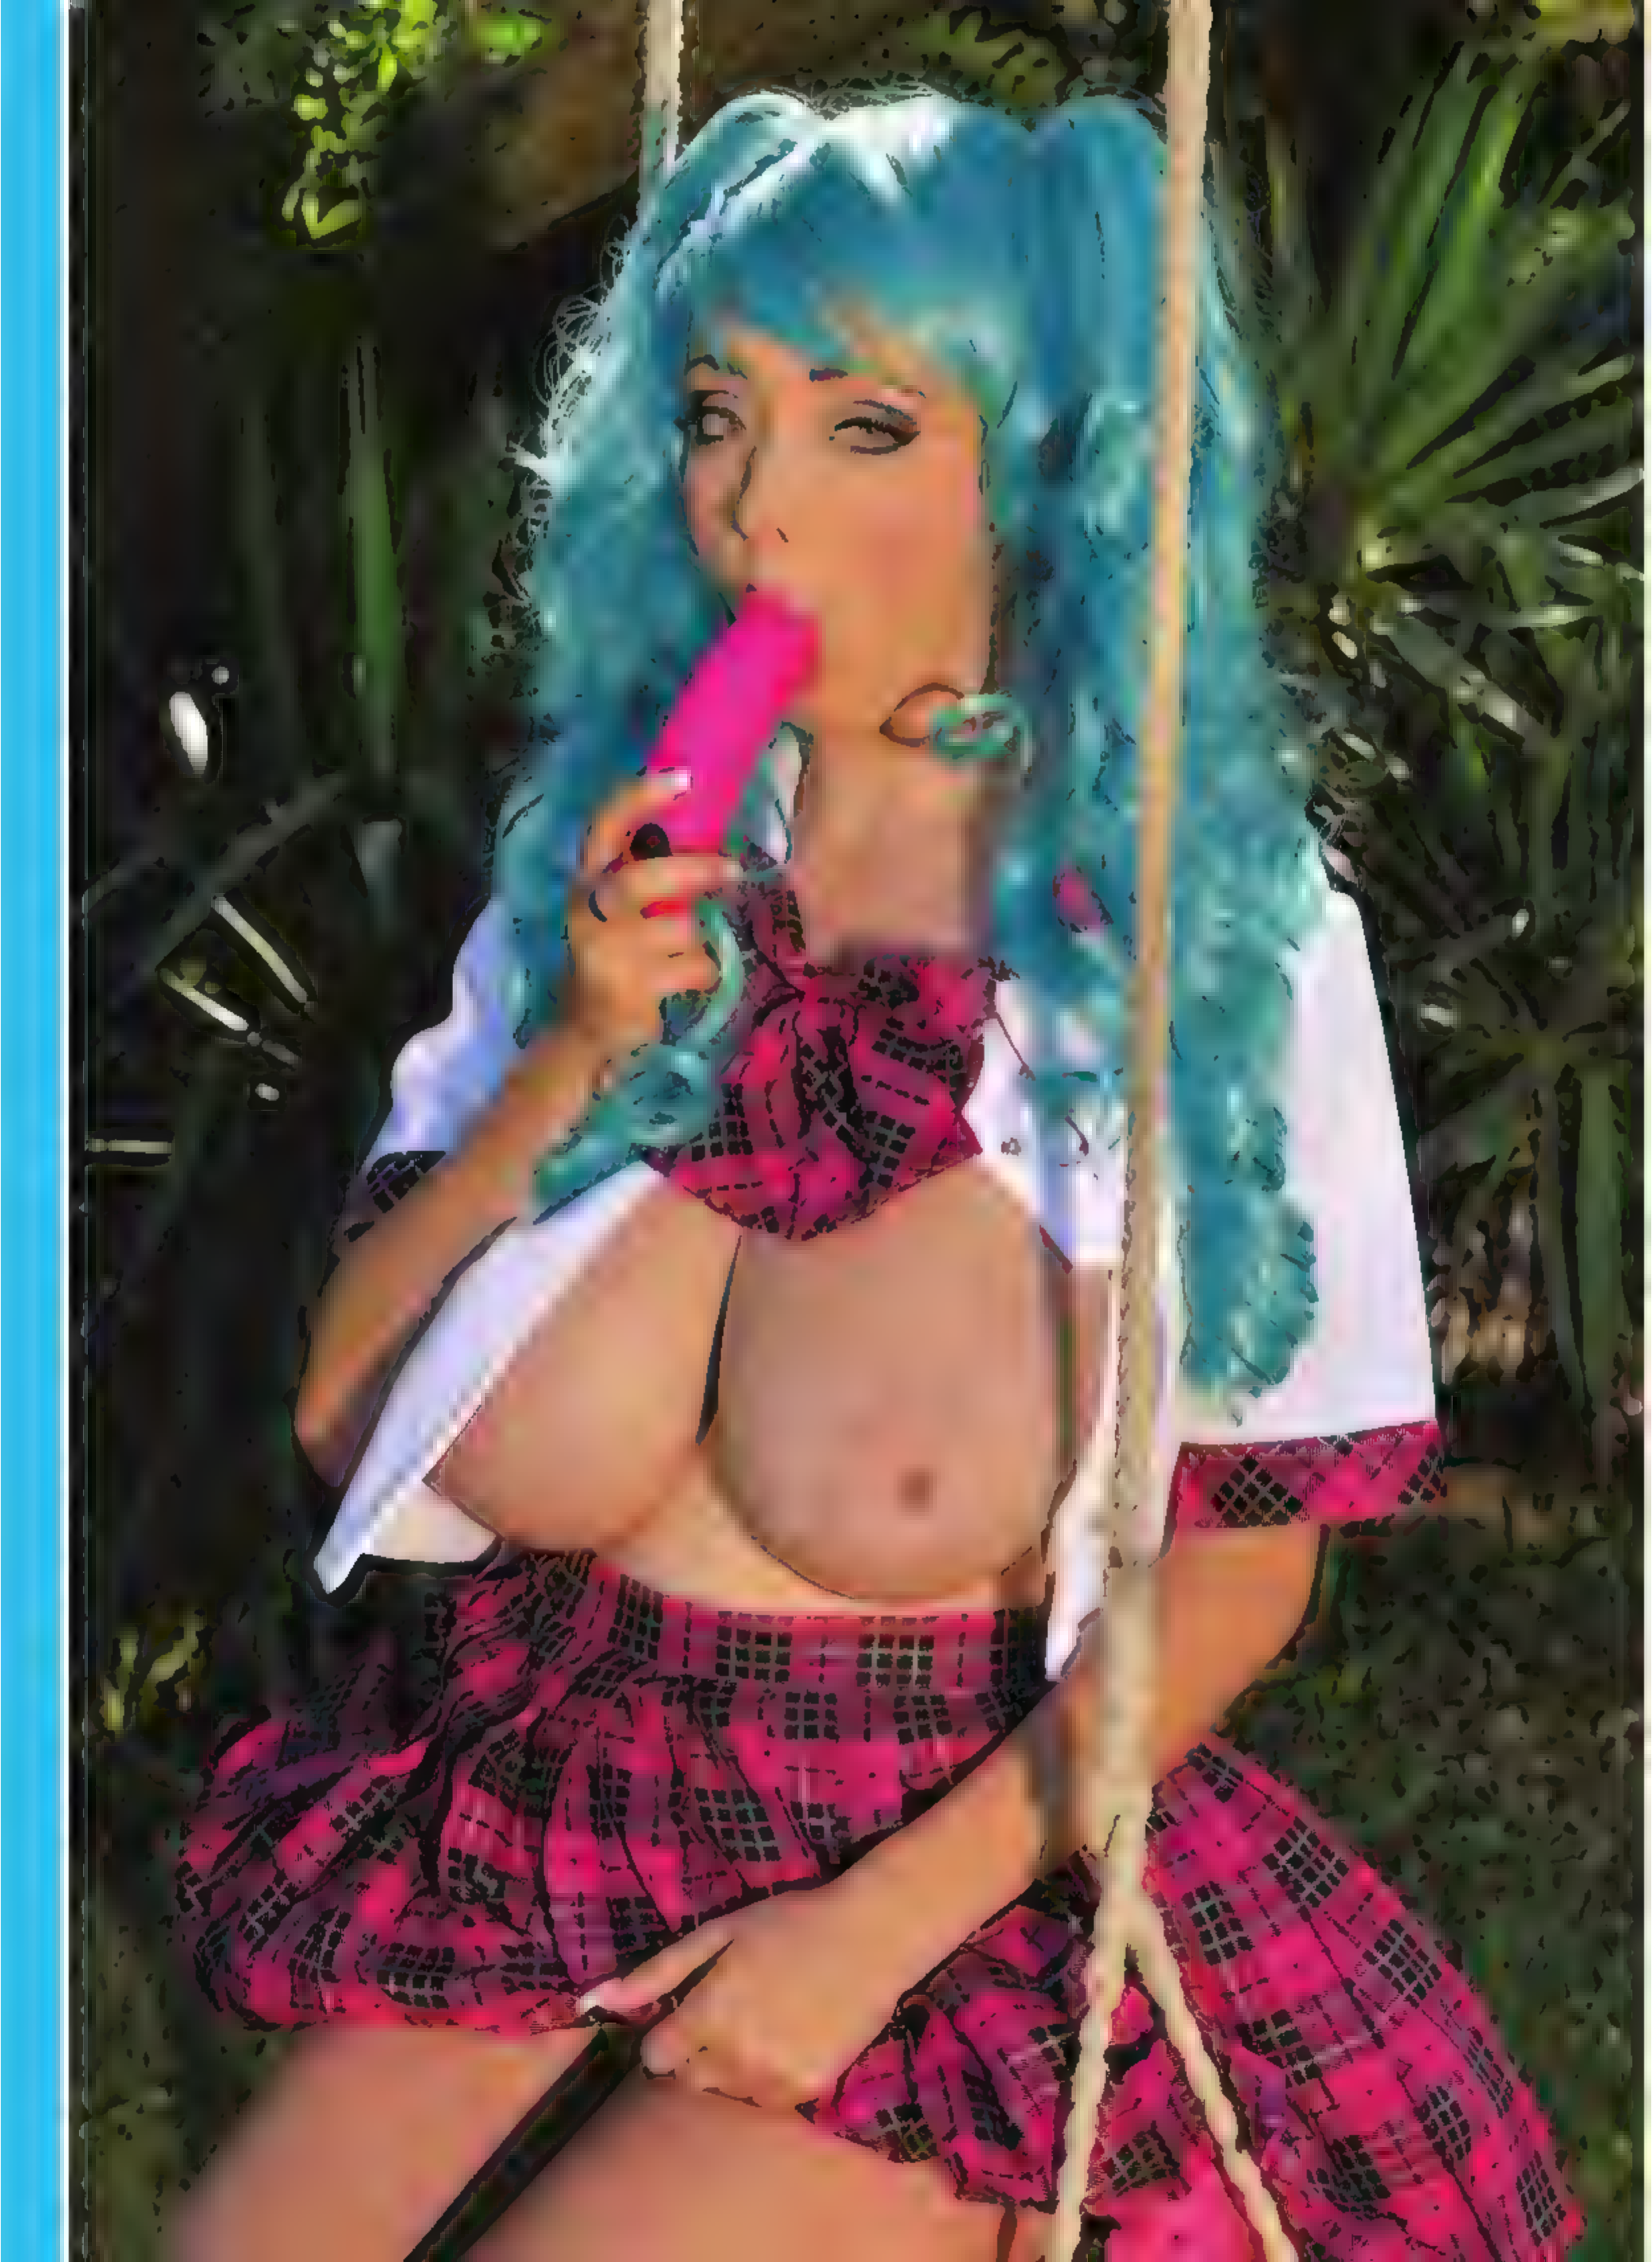

Don't worry about looking at me and calling me 'weird.' Everyone else does. I think I passed quirky a long time ago. With my blue hair and huge tits, I could pass for an oversexed cartoon character. Actually, that's what I'm shooting for. I'm a huge devotee of Japanese anime and would love to star in my own XXX storyline.

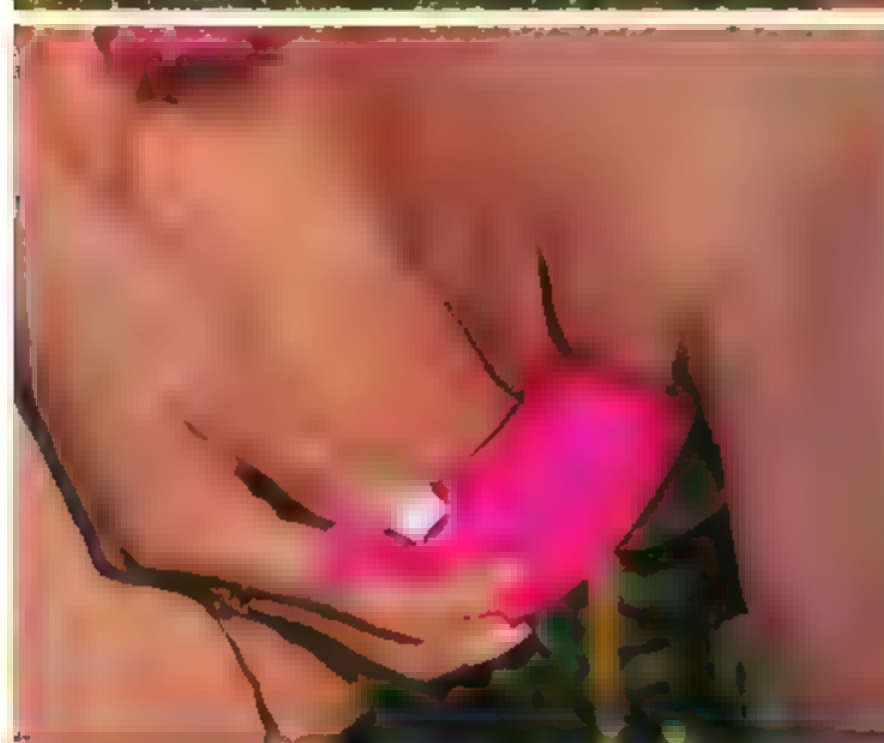

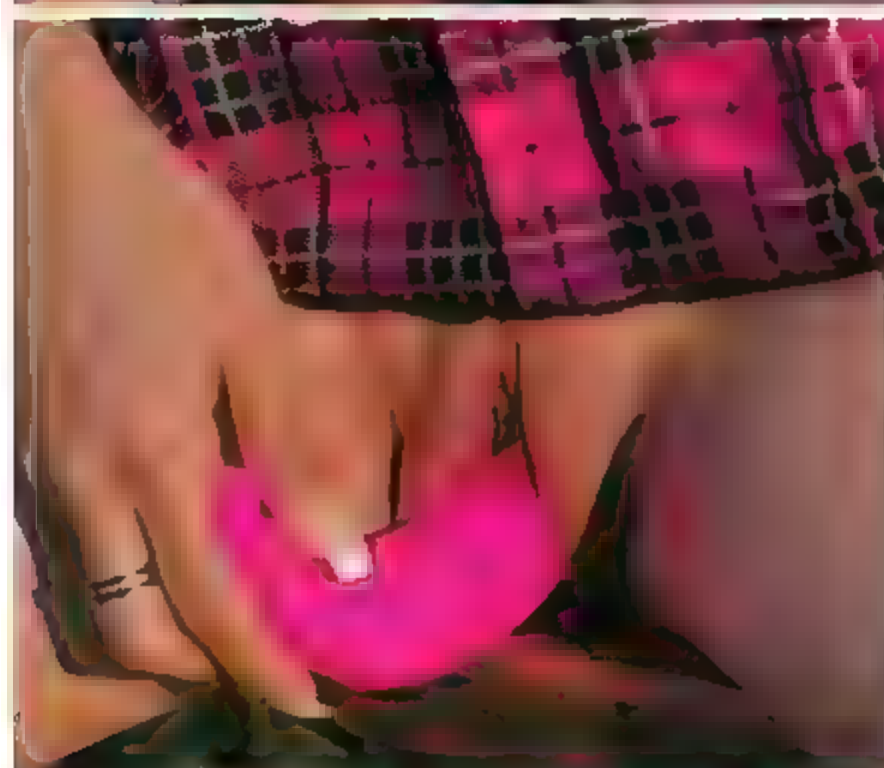

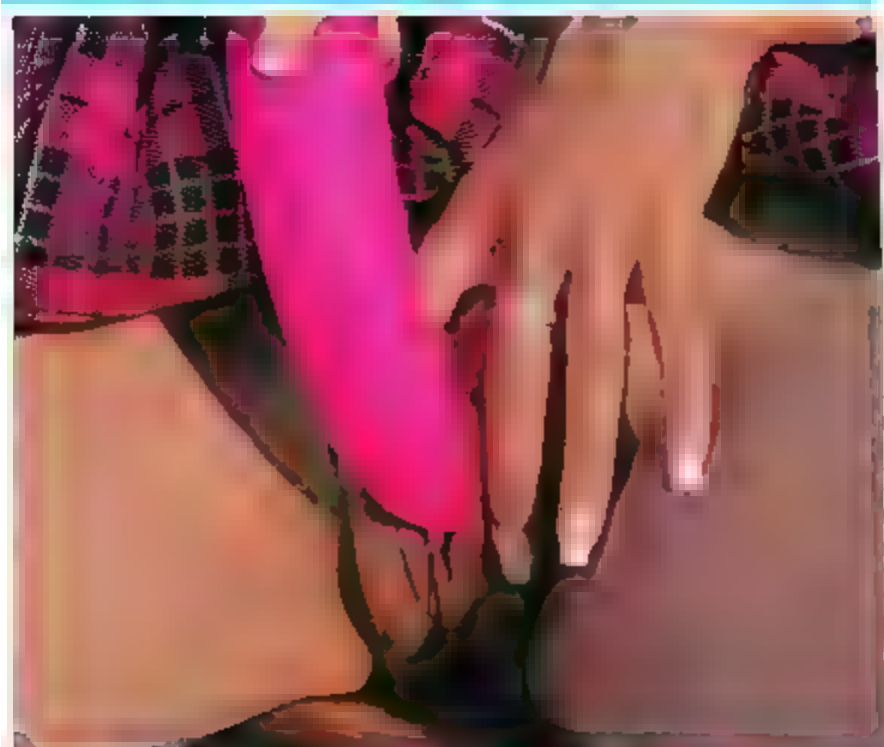

"I want to be a young schoolgirl (which I am) known as 'Dildo Doll' who uses her sexual superpowers to save the world. I spend most of my free time practicing for such a scenario by fucking myself silly with my favorite hot pink vibrator. Once I've orgasmed a few times, I literally feel ready to take on the world and conquer any evildoers. I'll smother them with my boobs, destroy them with my dildo, save the day—then go home and fuck myself some more. Look for me in an anime cumming soon!"

ALEX

A TEASE
TO PLEASE

34801

Some things just seem to come naturally in life. Some chicks are inherently good at sports, others at academics. For whatever reasons, I seem to find myself a natural-born tease. From the moment I turned 18 and realized I was able to exert power over men through my 'cuteness,' I've been 'on' and have achieved quite a lot—not only always getting my way, but being given nice presents and lots of affection.

"I don't even have to fuck—though I do enjoy a big cock in my tight pussy—to woo a man. A sexy glance, a sensuous smile, or a skimpy outfit does the trick. Sure, I might overtly come on to someone, but it's usually more effective to bend over with a tiny skirt on and expose my thong to get what I want. But when I do go all the way, rest assured I deliver the goods. I'll suck you and fuck you all night. See, I'm not just a tease. Lucky you!" 🍆

Sweet New Pussy ★★★★★

STARRING: ARIANA GRAND, SCARLET RED, CARMEN CALIENTE, KEISHA GREY, BAILEY BAE, MARK WOOD, BILL BAILEY

DIRECTED BY: MARK WOOD & FRANCESCA LE **AVAILABLE FROM:** LEWOOD/EVIL ANGEL

Director/Performers Mark Wood and Francesca Le team up in this explosive new offering that we hope becomes a recurring series. Comprised of five of the brightest new starlets, these beautiful girls are eager to show us plenty of their Sweet New Pussy and undeniable penchant for cock!

Ariana Grand begins the pussy parade alongside Wood. Wearing a skimpy red bikini, it doesn't take long for the petite brunette to encourage Mark to rub her young body with oil. After a thorough slathering, Mark practically lies her thick pussy lips in a knot while eating her out. As they move forward, he makes her cum in missionary position, later treating his new honey bun to some homemade icing. Yum!

Next, we find Mark offering scarlet Red some artistic tips on improving her drawings. Deciding to be playful instead, Scarlet douses her nipples with whipped cream. Unable to resist, Mark devours the sweet blonde from head to toe, paying extra attention to her pink clit. When finished, he

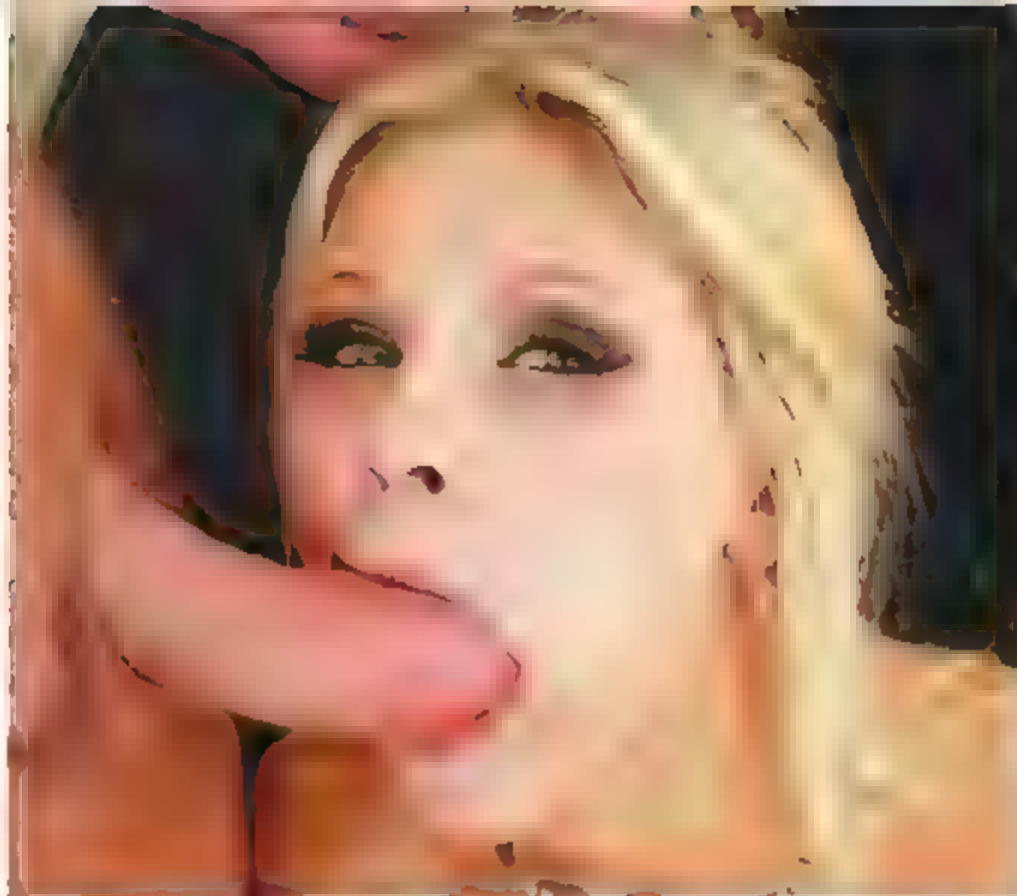

grills her hot hole in doggie, causing the blonde bunny to quake and shiver.

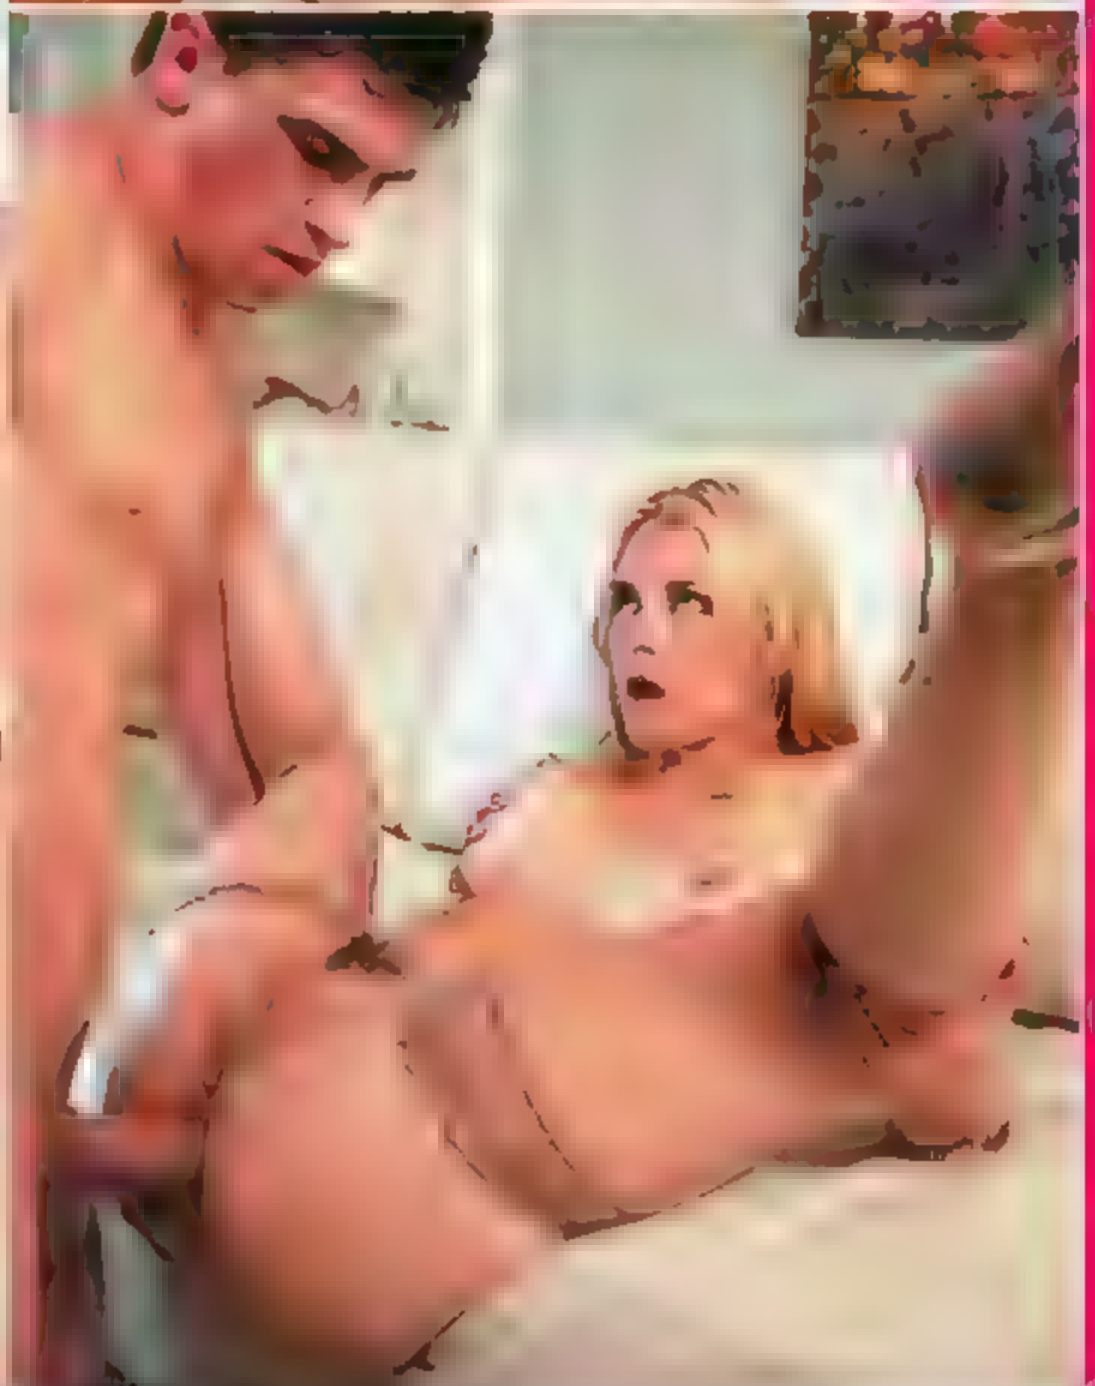

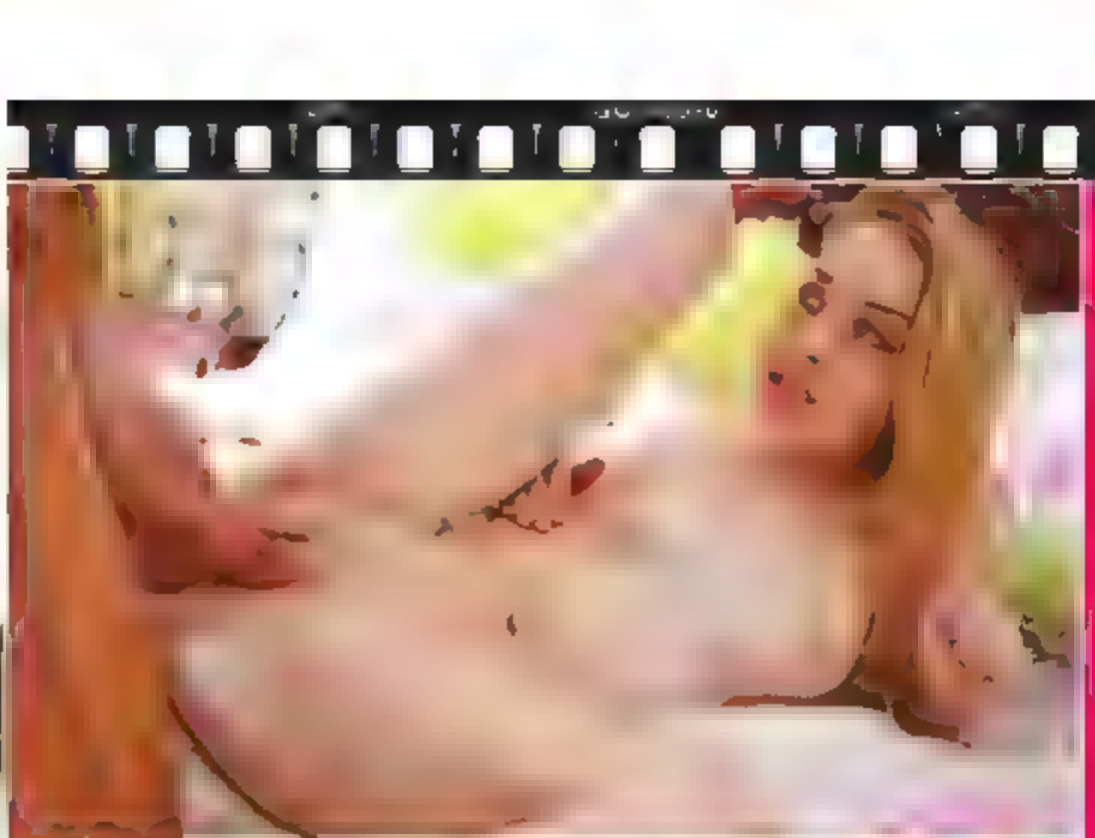

As the movie moves forward, we find Bill Bailey scolding his girlfriend, Carmen Caliente, for taking selfies of her hot ass. Proving that he should be proud instead of provoked, Carmen allows Bill to suck on her asshole from behind before pounding out her Latina hot spot in ridesaddle and spoon.

Jumping right into the thick of things, Keisha Grey cools herself down in the pool before walking over to give Mark some afternoon delight. Going right for her snatch, he tongues her hole and takes pleasure in mounding her perfect tits in his paws. Once lubed up, she rides his hoagie in reverse cowgirl position, giving the camera an unobstructed view of her spectacular body in motion.

Bailey Bae ends the show on the strongest note with Wood, demonstrating all the reasons why this beauty's name is on the tip of everybody's tongue.

Our Family Trust ★★★

Starring: Sarah Vandella, Alexia Gold, Eva Notty, Mandy Muse, Logan Pierce, Otto Bauer, Bruce Venture, Chad White

Directed By: Eddie Powell & Paul Woodcrest **Available From:** New Sensations

Proving that home is where the heart is, four blended families mix up plenty of love and lust in a movie that perpetuates the new taboo craze that is currently sweeping the adult industry, thus putting the fun back in dysfunctional. With naughty porn pairings and the collaborative efforts of directors Eddie Powell and Paul Woodcrest, expect some heart pounding lies that bind!

The movie opens with Sarah Vandella, the stepcater in this situation, prepping her asshole with a big black dildo. After sharing a few cross words with his cock-hungry stepcater, Bruce Venture becomes hot and bothered. In an effort to make amends, Sarah gives up her butt hole in several jaw dropping arrangements, including doggie and mish, for a nearly all-oral encounter that ends with a stomach strewn with splooge. Yes!

Seemingly grimacing throughout the entire sexual experience, Alexia Gold, a pin-thin, pale porn hopeful, has her way with her stepbrother

Chad White, when he catches her masturbating on her bed. With overexposed lighting and an odd pairing, this duo looks more blown out, rather than blowing up their scene. What is hot, however, is Alexia's inclusion of naughty foot play during her blowjob session.

Continuing with the "cum is thicker than water" theme, stepmother Eva Notty encourages Logan Pierce to park his cock between his stepmother's fat tits and then down her throat. With heated chemistry and plenty of hot, pussy pounding action, this duo plays both naughty and nice.

Otto Bauer ends the show on a high note when tucks the stuffing out of Mandy Muse before his wife gets home. With excellent oral action, this perfect pairing have no problems making a connection, ending their relations with a vigorous doggie pump that ends with plenty of population pudding poured over her pucker!

Anal Young 'Uns ☆☆☆☆

(LeWood/Evil Angel) Starring: Carter Cruise, Misha Cross, Marley Blaza, Dakota Skye. **DIRECTOR:** Mark Wood & Francesca Le

Delivering exactly what you would expect, director/performer Mark Wood and Francesca Le lay it all out on the line when giving anal princesses the LeWood treatment. With sexually aggressive scenes and loads of stretched out sphincters, expect plenty of fucking assholes!

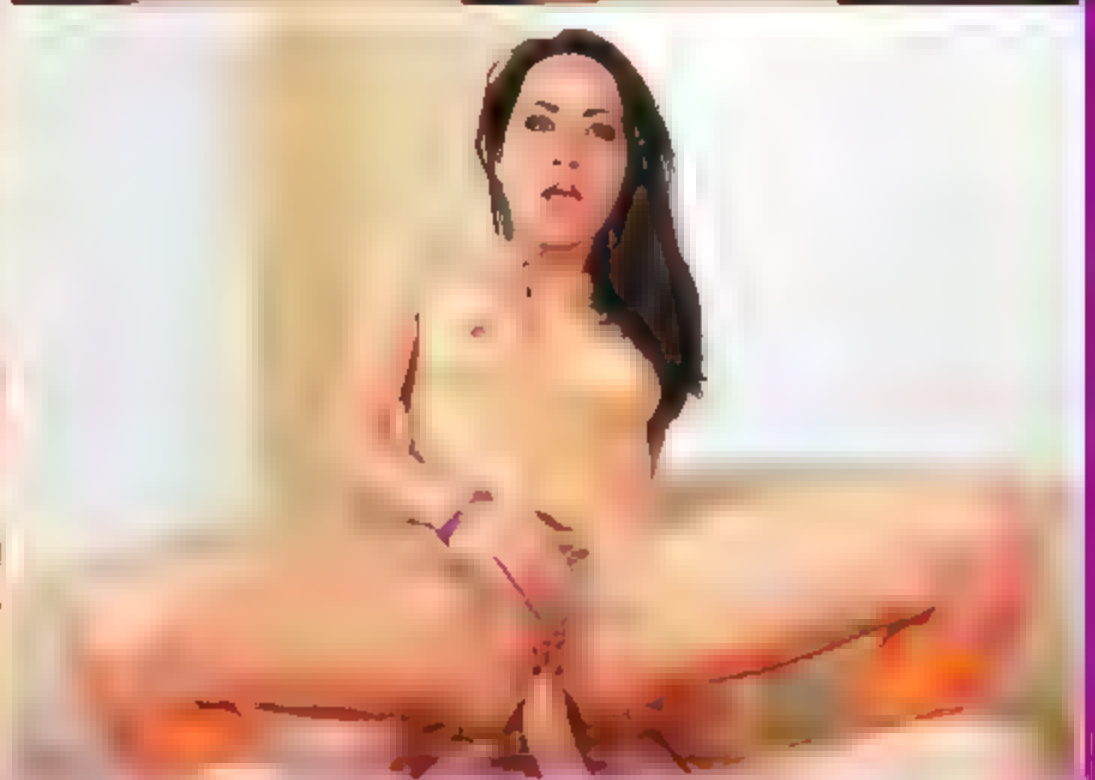

Mark Wood begins by snapping photos of Carter Cruise. Eventually succumbing to his adoration, Carter flashes him her tits before treating him to a neck-deep blowjob. Soon, he's barreling down on her butt, rendering her butt juicy and her eyes crossed.

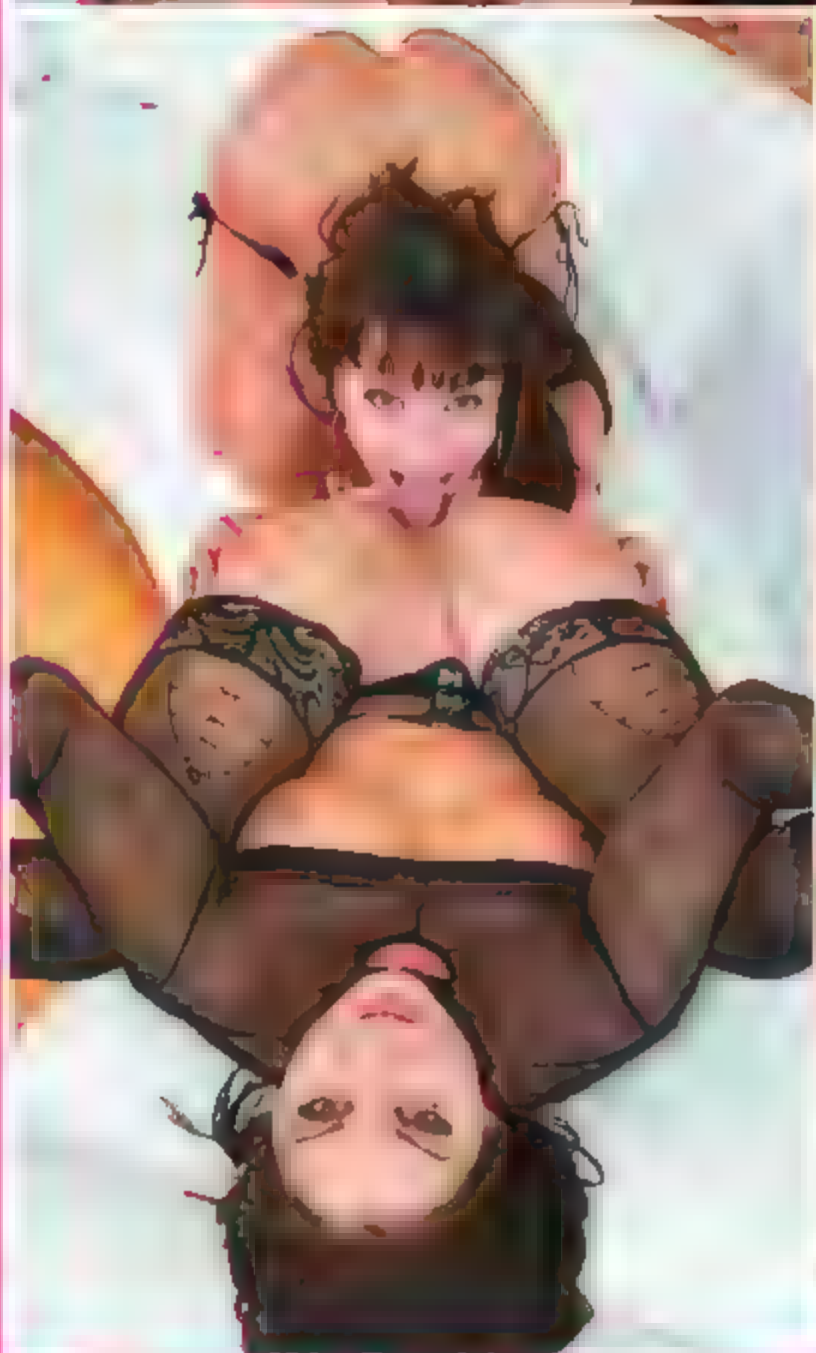

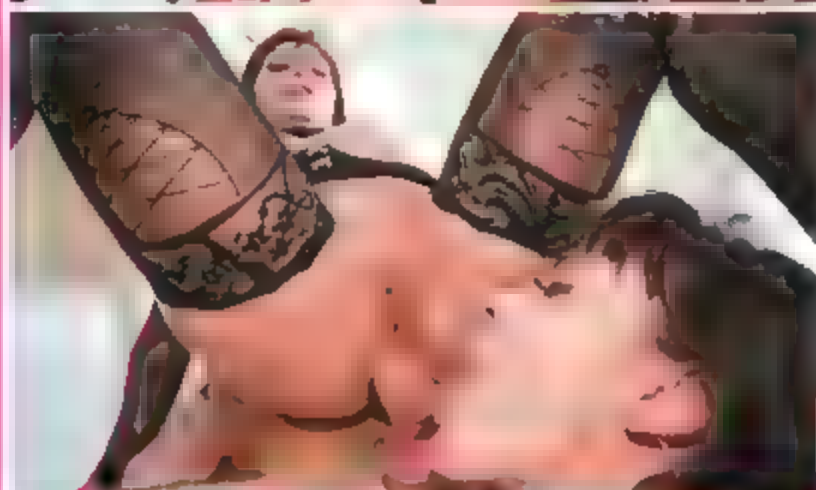

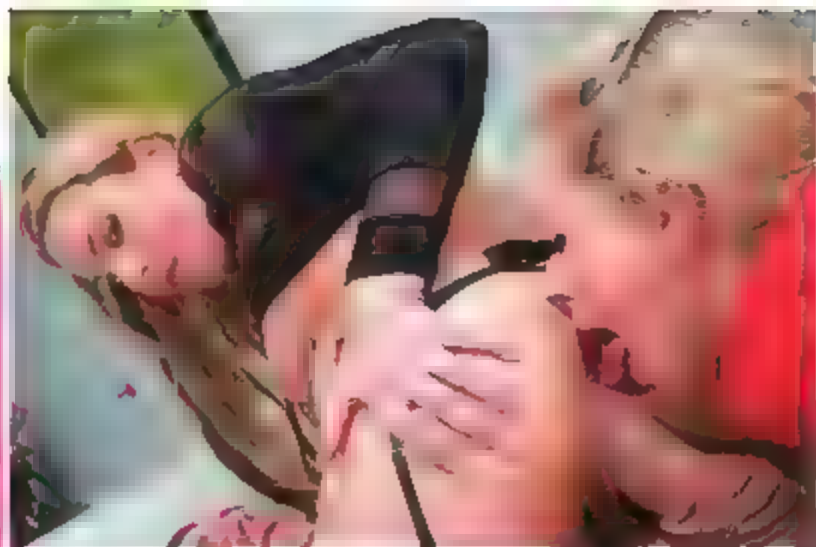

Next, we find Misha Cross enjoying a cocktail before gagging herself on Mark's cock. In time, he stretches out her anus with fingers before stuffing it full of his other

white meat. Rising up to the challenge, Misha encourages a deeper connection, offering us one gorgeous gape after another. Hot!

Mark continues with his female domination when being seduced by Marley Blaza. After getting one look at her ass, it doesn't take long before Mark is eating her out from behind. Coming together in plenty of anal spilling positions, things really seem to heat up when she buckles down in cowgirl.

Finally, after wanting to save her pussy for marriage, Dakota Skye allows Mark to tinker with her lucky instead. With an enormous size differential, it's awesome watching Mark towering over Dakota, filling her beautiful butt with all the beef she can eat.

Rim Jobs ★★★★★

(Vince Voyer Unleashed) Starring: Riley Reid, Casey Cumz, Juetz Ventura, Olivia Blu, Angelina Mylee. Director: Vince Voyer

True to its title, *Rim Jobs* is all about orally exciting assholes, whether belonging to men or women. Bringing this oral fixation to life is director William H., further demonstrating why he's one of porn's most celebrated auteurs when crafting four of the most impressive three-ways ever imagined!

The show opens with Sheena Shaw and Adriana Chechik licking assholes before tag teaming Chris Stokes. After mouthing his cock between them, the girls allow Chris to pop their e-rings at will. What a start!

Next, we find Lee Lede plugging Dana DeArmond's asshole full of fingers. Once finished, James Deen comes onto the scene, switching out her digits

with a thicker muscle. In time, James fucks both elastic arses, getting breeding to his own Rim Job in the process.

Zoey Monroe continues the next encounter by orally excavating Dehlin Sky's sphincter. With white-hot energy, Ramon Norer joins the girls, double stuffing each petite pucker with his Spanish sausage before smucking his ways over each.

Gabriel Palreva and Veruca James end the show on the highest note, treating each other to plenty of fingers and tongues. Afterwards, Manuel Ferrara dominates both diva's denizens before having his own soiled tosed

PORNSTAR INTERVIEW

Perth Valley, CA—Mia Gold is the rice-jewelry girl who does it all. Her porn name was partially inspired by her Hebrew name Goldie, and the fact that everything is in her mouth. From the all-natural 18th birthday cake she's already filmed more than 100 scenes for studios like Evil Angel, Jet Set, Hardcore, Exquisite, Hustler, Penthouse, Bluebird Film, Twisted, ATM, New Sensations, Reality Kings, Naughty America, Bang Bros, Girlfriend, Film, Time, Desire, Zero Tolerance, and Porn Pro. Her scenes are high energy with lots of dirty talk and feature her giving some of the best

MIA GOLD

NAUGHTY
LITTLE
PORN SLUT!

ALL IMAGES COURTESY OF EVIL ANGLE, MILE HIGH STUDIOS, NEW SENSATIONS, ZERO TOLERANCE

Productions recently and I worked with Rico Strong and his 13" cock. That was in my ass and I loved it. [Laughs] That was a good time

What do you enjoy more, DP or cuddling?

Can I get both? Is that weird to DP and cuddle afterwards?

[Laughs] Get a little snuggle action afterwards. You're pretty much in a sandwich already so it's like you're cuddling. I like to think of it like that.

How did you come up with your porn name?

Actually Gold comes from my Hebrew name Goldie. That's how I got the name. I'm a little Jewish girl. [Laughs]

BLOWJOBS ON THE PLANET. WHEN SHE'S NOT FILMING OR BEING PHOTOGRAPHED, YOU CAN FIND HER OUTDOORS SNOWBOARDING, WAKEBOARDING AND SURFING, OR BEING CREATIVE PAINTING, DRAWING OR PLAYING PIANO AND GUITAR. YEP, LITTLE MIA GOLD IS BECOMING A BIG GIRL VERY SOON!

Who is M.a Gold?

Mia Gold is a naughty little porn slut. [Laughs]

How naughty does it get?

It gets pretty naughty. I'm definitely on Santa's "bad" list.

What kind of movies do you have coming up?

I just did an anal video for a website. I have a lot of anal videos coming out. I just did my first DP, which I was pretty excited about. I also just did a gangbang. So I've got some naughty stuff in the works.

DP sounds interesting. How do you prepare for that?

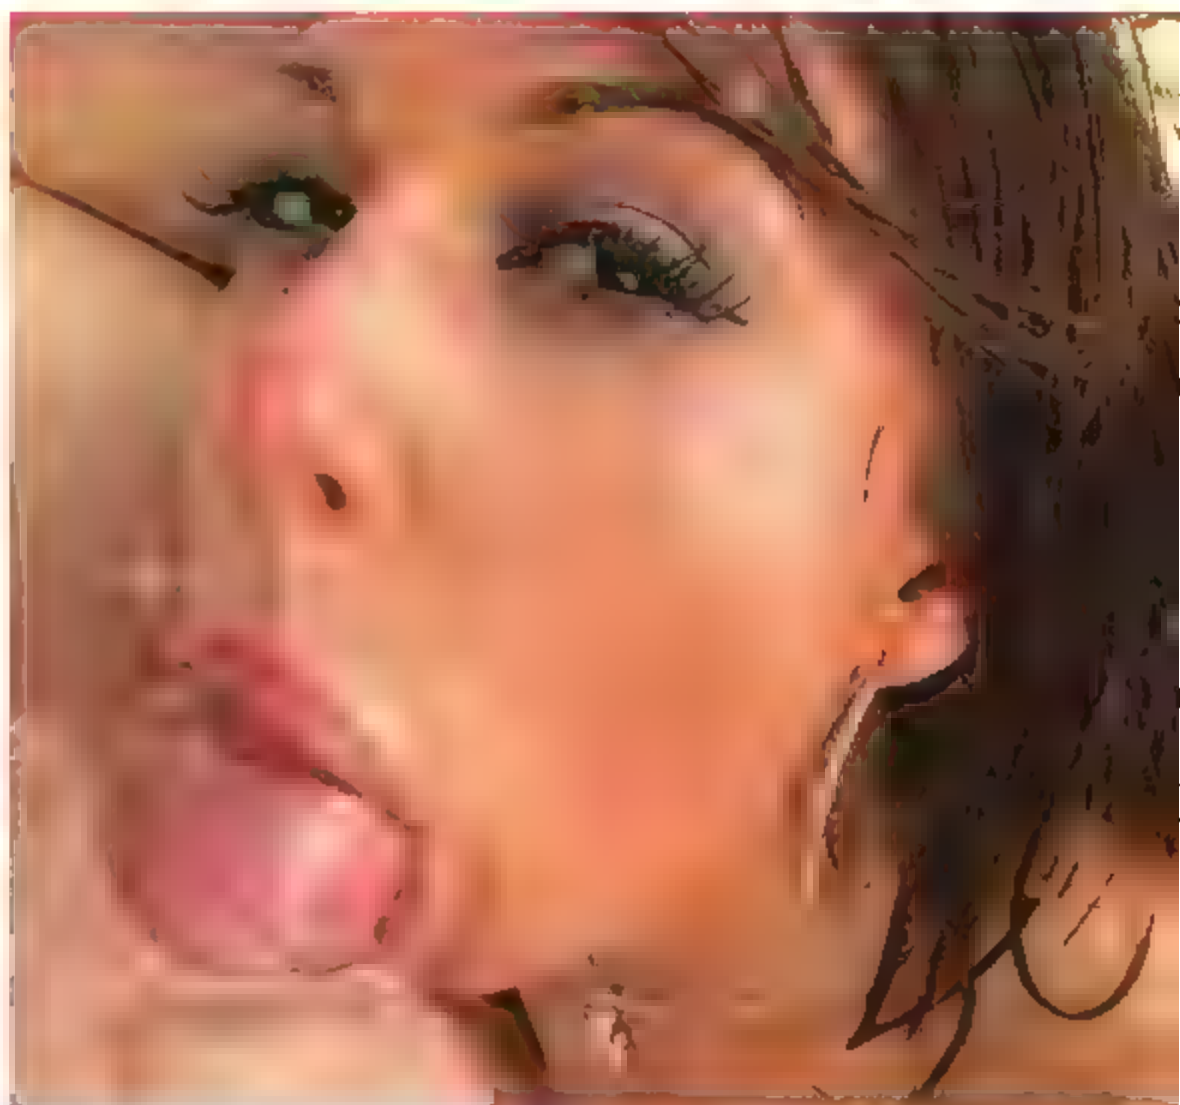

I don't really prepare for that. Maybe I'll put some lube up my ass. That's how you kind of prepare for it. [Laughs]

What about any upcoming interracial scenes?

I've done them actually. I've worked with West Coast

PORNSTAR INTERVIEW

Your bio says you're a nice Jewish girl. Why are you so nice?

Because I swallow. [Laughs] I clean up my mess after I make it.

You're working on your website, MiaGoldXXX.com, what are we going to find on there?

My pussy for one. [Laughs] It's going to be a regular porn site with me fucking different people in porn, working with different directors and doing my own thing. I'm in the process of putting it together. The best part about it is that I'm getting to document my sexual journey with the assistance of all my fans. It's really important for me to keep my fans happy and interact with them.

You've already shot with major studios. How do you feel about your progress so far?

I have worked very hard and feel blessed with all the positive feedback. It's been a pleasure working and playing with these fine-ass production houses.

You have done more than 115 scenes so far in just 10 months. Don't you get tired?

Who gets tired of screwing sexy bitches?! I have a lot of fun while I'm on set, and I love what I do.

PORNSTAR INTERVIEW

Your fans are really crazy about your blowjobs

Blowjobs are one my favorite sexual acts. I have to admit, I put cock up on a pedestal and it should be sucked with the utmost love and respect. [Laughs] Each guy is different and I make it a point to gauge my partner and pick up on all his moans and twitches...and there's usually a lot of those when I'm in the driver's seat.

When it comes to sex, what excites you the most?

That's a "hard" one. I'd have to say being attracted to my partner. I also make it a point to discover chemistry and make it authentic.

If given a choice between blowjob, doggy and missionary, which one would you prefer and why?

Damn, why can't all of those options be my favorites? If I could have all three simultaneously, I would be on sensory overload. It would have to be a tie between a blowjob and missionary. I enjoy giving my partner a pleasurable sucky sucky, but I also enjoy getting spread eagle for my partner, while he shoves his shlong deep in my punani.

Have you ever tried public sex?

Oh hell yes, it's so much fun. I've done the deed in many public places such as zoos, clubs, boats, on a plane, and while driving, just to name a few. It adds a lot of excitement and it can be a bit unpredictable. It's a little devious and I get off on that.

When you are not working, what else you like to do in your free time?

When I'm not on set or working on my site, I'm usually working on other business or enjoying the beach. I like to play the guitar and write music, as well.

What are your future plans in the porn industry?

I would love to have my own production company and/or start producing. I feel it's a natural progression from talent to want to be involved more on set. 📺

HAILEY'S
BIG DATE

Hailey

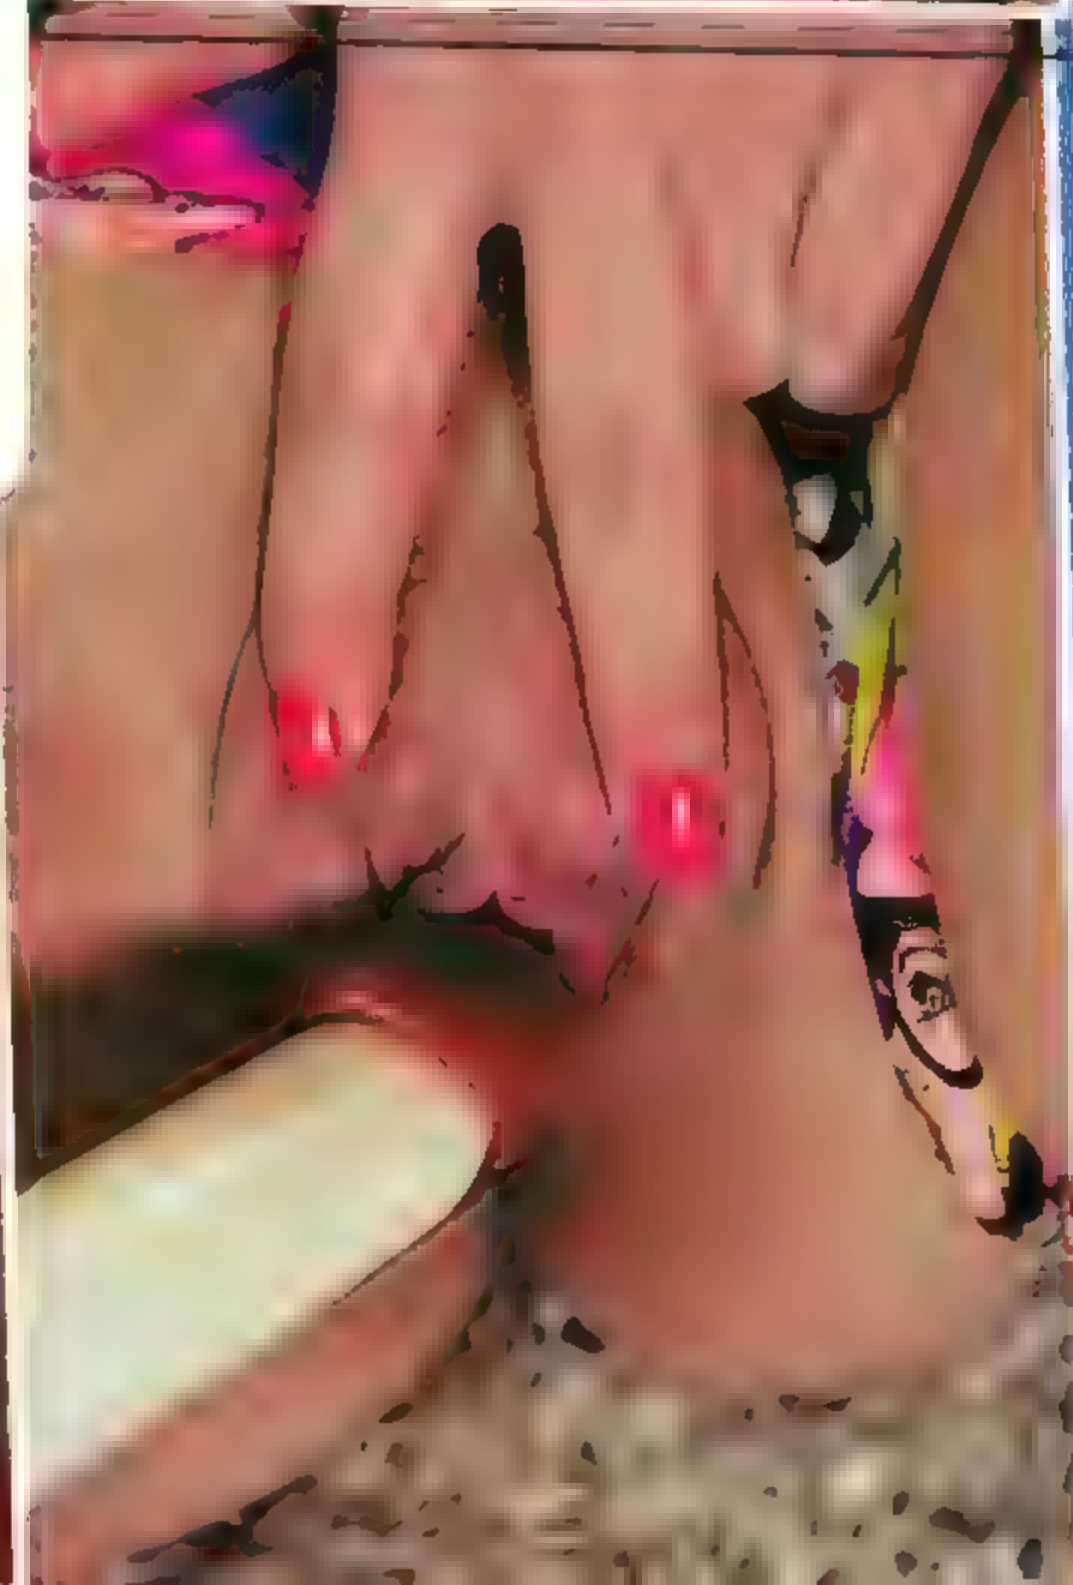

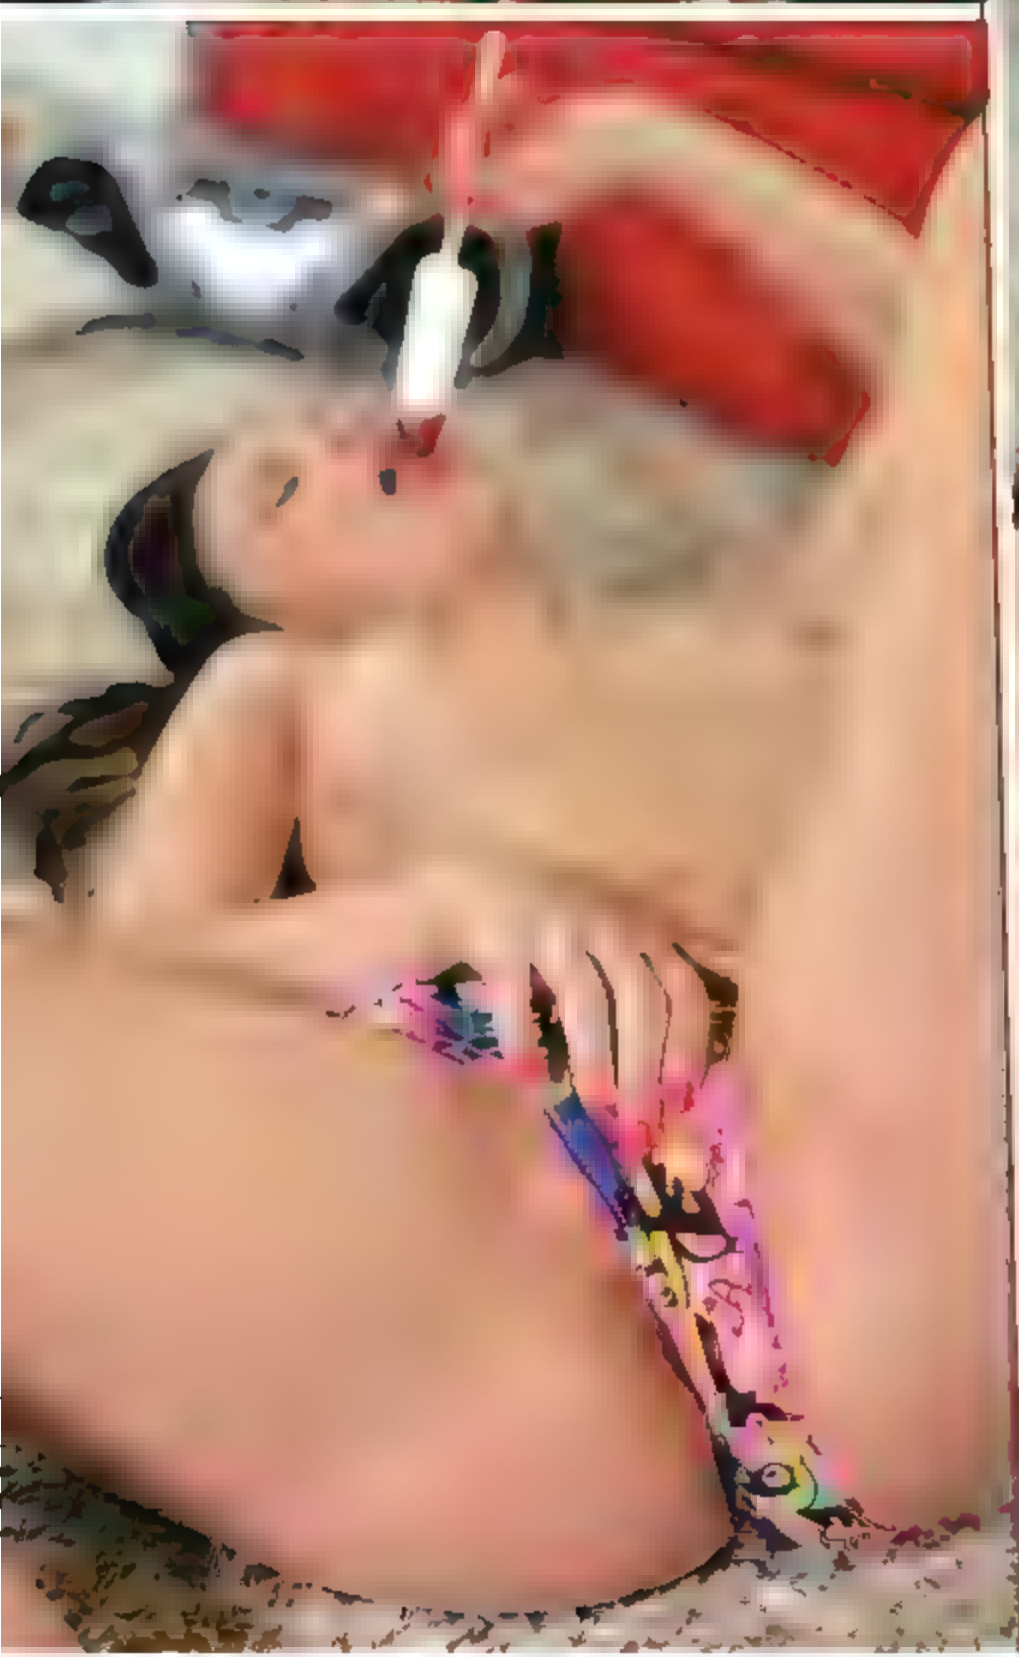

I suppose most girls get ready for a date in different ways. Sure, we all bathe and groom, primp and pose, but there's always some unique individual methods of preparation. Before I meet Chad, my boyfriend, I go through a pre-date 'warm-up.' Let me first explain that Chad is very well-hung. His mammoth meat is not easy for a young girl to take inside her tight pussy. You have to 'prep' for entry.

"After I shower, before getting dressed, I make it a habit to prepare my pussy with a big dildo. I frig myself with the long, wide toy for quite a while, opening up my love canal, getting it used to being plowed by a large object. Once properly relaxed, I know I'm ready for the real thing. When I meet Chad, it's with an open mind and even more open pussy. When he plows me, I'm able to accept his 'gift' and enjoy myself fully. I have fun before my date and during the date. Can't ask for more than that!"

LIFE SUCKS ANGIE & LARRY

When you're good at something, you should stick to perfecting your skills. That's why I'm a devoted cocksucker. As soon as I turned 18, a few months ago, I couldn't wait to taste dick. That's because my friends and I kept on wondering what it was like to suck cock. The first time for me was incredible. Being able to open wide and inhale a penis just seemed to come naturally. Lots of girls are timid at first. Not me.

"I keep on finding new guys to practice on. I'm trying to sample a variety of sizes, always looking for a bigger 'mountain' to climb. I study up online on different fellatio techniques, then apply them in real life. I'm honing my gag reflex to be able to swallow any size dick. Plus, I continue to develop my tongue techniques. I'm hopeful of soon being able to deepthroat any size prick and also swallow a full load. Hey, by the time I'm 19, I might become famous for my talent!" ☺
